Dear Mr. Deniro,

Please accept my enclosed application for the position of administrative assistant at Tech Corporation. Having read through your job description, I am thrilled to be applying for this position as my 6 years of experience and skillset match the requirements you're looking for.

At my current company, Redford & Sons, I am valued by the CEO and his staff as a critical support pillar for the team, keeping meetings, papers, travel arrangements, and office items organized at all times. I spearheaded the effort to "go digital" for almost all planning and paperwork, increasing office efficiency to the point of saving \$3,000 per year in contracted labor expenses.

I was also tasked with training two administrative assistants in my previous position, proving that I can perform the all necessary duties described in your job description, and even train others in how to perform in this role effectively, should the need arise.

I would love to have to opportunity to join the team at Tech Company and use my skills to create an efficient and stress free office environment for your executives. I believe I can meet and exceed the expectations you have for this role. I look forward to speaking more with you about my candidacy. Feel free to contact me at any time.

Best,
Kelly Blackwell
