Advertising Mara Einstein,2016-09-01 From Facebook to Talking Points Memo to the New York Times often what looks like fact based journalism is not It s advertising Not only are ads indistinguishable from reporting the Internet we rely on for news opinions and even impartial sales content is now the ultimate corporate tool Reader beware content without a corporate sponsor lurking behind it is rare indeed Black Ops Advertising dissects this rapid rise of sponsored content a strategy whereby advertisers have become publishers and publishers create advertising all under the guise of unbiased information Covert selling mostly in the form of native advertising and content marketing has so blurred the lines between editorial content and marketing message that it is next to impossible to tell real news from paid endorsements In the 21st century instead of telling us to buy buy BUY marketers engage with us so that we share share SHARE the ultimate subtle sell Why should this concern us Because personal data personal relationships and our very identities are being repackaged in pursuit of corporate profits Because tracking and manipulation of data make likes and tweets and followers the currency of importance rather than scientific achievement or artistic talent or information the electorate needs to fully function in a democracy And because we are being manipulated to spend time with technology to interact with friends to always be on even when it is to our physical and mental detriment *The Art of Strategic Listening* Robert I. Berkman,2008 Social media is the catch all name for blogs Web forums YouTube MySpace FaceBook and the other internet based sites where consumers converse and share content All of this unsolicited and authentic discussion and opinion can be a great source of marketplace insight for companies From paying close attention to consumer discussions on blogs and other social media you can discover what new products or product features consumers would like to see and stay alert to emerging trends in your industry that could create new opportunities for your company Robert Berkman an experienced information specialist with several books to his credit gives detailed directions for specialized blog searches setting up RSS feeds and tracking buzz He also provides detailed information about vendors who supply blog monitoring services and discusses the pros and cons of using vendors or doing it yourself For marketers public relations firms strategic business analysts and corporate planners this book gives you everything you need to know to begin finding market intelligence in social media You will learn to look for trends distinguish a trend from a fad and determine the credibility of the information you uncover Moreover Berkman provides you with tips on
