Philippine Prisons Review, 1927 *The Women Who Popularized Geology in the 19th Century* Kristine Larsen, 2017-10-12 The female authors highlighted in this monograph represent a special breed of science writer women who not only synthesized the science of their day often drawing upon their own direct experience in the laboratory field classroom and or public lecture hall but used their works to simultaneously educate entertain and in many cases evangelize Women played a central role in the popularization of science in the 19th century as penning such works written for an audience of other women and children was considered proper women's work Many of these writers excelled in a particular literary technique known as the familiar format in which science is described in the form of a conversation between characters especially women and children However the biological sciences were considered more feminine than the natural sciences such as astronomy and physics hence the number of geological conversations was limited This in turn makes the few that were completed all the more crucial to analyze

Reading Clocks, Alla Turca Avner Wishnitzer, 2015-07-07 Up until the end of the eighteenth century the way Ottomans used their clocks conformed to the inner logic of their own temporal culture However this began to change

rather dramatically during the nineteenth century as the Ottoman Empire was increasingly assimilated into the European dominated global economy and the project of modern state building began to gather momentum In *Reading Clocks Alla Turca* Avner Wishnitzer unravels the complexity of Ottoman temporal culture and for the first time tells the story of its transformation He explains that in their attempt to attain better surveillance capabilities and higher levels of regularity and efficiency various organs of the reforming Ottoman state developed elaborate temporal constructs in which clocks played an increasingly important role As the reform movement spread beyond the government apparatus emerging groups of officers bureaucrats and urban professionals incorporated novel time related ideas values and behaviors into their self consciously modern outlook and lifestyle Acculturated in the highly regimented environment of schools and barracks they came to identify efficiency and temporal regularity with progress and the former temporal patterns with the old political order Drawing on a wealth of archival and literary sources Wishnitzer s original and highly important work presents the shifting culture of time as an arena in which Ottoman social groups competed for legitimacy and a medium through which the very concept of modernity was defined *Reading Clocks Alla Turca* breaks new ground in the study of the Middle East and presents us with a new understanding of the relationship between time and modernity

The Top Books of the Year Morning Routine Top Tutorial The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Morning Routine Top Tutorial : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Morning Routine Top Tutorial : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Morning Routine Top Tutorial : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
