A Returning Soldier, Now What? , **Return to One** Cathy Preston, 2011-07 Return To One dances the razor s edge of karmic adventure and folk fantasy of spiritual quest and self odyssey In a world of warm villages and beautiful dreams Misha expects that same life to always be hers But life and Gaha have very different plans Launched on a quest beyond her control Misha comes face to face with more of herself than she ever dreamed or wanted With each path travelled each moment on their road she and Lec are brought deeper into the depths of who we all are and why we re all here From vibrant villages to enthralling crystal caves from finding self to knowing All that Is Return To One is an unexpected meeting with your soul What Readers Are Saying Return to One is more than a masterful narrative of adventure and suspense It is a rich source of compelling ideas from an author who dares us to question our beliefs It satisfies on EVERY level It will unglue you It will stun and shock you It will rearrange EVERYTHING you ve learned and assumed about life love and human interaction Return to One is a winning blend of amiable characters and damn good storytelling It is part spiritual odyssey and part rousing adventure Return to One has it all Drew Alden Lee Virginia Unites States Return to One is an enchanting tale of the human rite of passage like no other It describes the journey of spiritual discovery that every earthbound soul must ultimately undertake during the course of our lives the journey that leads to the evolution of human consciousness Return to One is for me a return to Hope Andrew K Rippon South Africa I feel like I just came down from a combination of psychedelic substances I have never taken before but in reality I just finished Return to One I think I have never read anything so beautiful I really don t know how to thank you But thank you anyway and know you have moved me to an extent I had yet to experience before I laughed and cried for most of it Jess North Carolina Unites States The amazing thing is that I felt every so often that the story was about myself and my own journey in fact I think it is about the journey of all of us And the book is about each one of us and the ONE of us After finishing the book I felt a huge YES a remembering of what I know deep down but wrapped in a unique and surprising package Dagmar Eberhardt Wiltshire England Those on a personal life journey no matter on what road are destined to find this novel a diamond along the path Return to One feeds our deepest spiritual cravings and highlights the inward path to self realization intuitively this book is long overdue to the world Spiritual seekers and those of us who are just curious will find both inner satisfaction and unanticipated delight in reading this novel Alexander De Foe Australia This is a tale of epic proportions yet it never deserts the raw processes of human existence It weaves our everyday reality into a myth of heroic discovery But it does not beat about the burning bush It beats with it Edmund Croucher Hampshire England In Return to One the reader will find an exciting journey the journey we all must take in this life I would highly recommend this book to anyone seeking a better understanding of the nature of the Universe a better understanding of the self or anyone seeking to understand Andrea Hendryx Texas United States Return to Earth Buzz Aldrin, Wayne Warga, 2015-12-15 Apollo 11 astronaut Buzz Aldrin s courageous candid memoir of his return to Earth after the historic moon landing and his personal struggle with fame and depression We landed with all the grace of a freight elevator Buzz Aldrin relates in the opening

passages of *Return to Earth* remembering Command Module Columbia's abrupt descent into the gravity of the blue planet. With that splash Aldrin takes readers on a journey through the human side of the space program as one of the first two men to land on the moon learns to cope with the pressures of his new public persona. In honest and compelling prose Aldrin reveals a side of instant fame for which West Point and NASA could never have prepared him. One day a fighter pilot and engineer the next a cultural hero burdened with the adoration of thousands Aldrin gives a poignant account of the affair that threatened his marriage as well as his descent into alcoholism and depression that resulted from trying to be too many things to too many people. He didn't realize that when he landed on his home planet his odyssey had just begun. As Aldrin puts it, "I traveled to the moon but the most significant voyage of my life began when I returned from where no man had been before." *Return to Earth* is a powerful and moving memoir that exposes the stresses suffered by those in the Apollo program and the price Buzz Aldrin paid when he became an American icon. *A Return to Healing* Andy Lazris, Alan Roth, 2025-03-25

Drawing from their extensive experience in primary care and backed by decades of academic research, primary care physicians Andy Lazris MD and Alan Roth DO unravel the complexities of the modern health care system in *A Return to Healing*. Through a wealth of patient stories and meticulous research they dig into the roots of American health care challenges and seek its cure. Utilizing poignant patient narratives and rigorous analysis Lazris and Roth expose the flaws in our modern approach to health care. The book dissects the current philosophy of medical care addressing foundational issues in health care infrastructure, the pitfalls of screening, the dishonesty of the pharmaceutical industry, and a lack of common sense among health care providers. By exploring common diseases and medical scenarios demonstrating how doctors arrive at their conclusions and focusing on the perverse incentives and outdated training that drive doctors to rely on protocols and numerical based care Lazris and Roth demonstrate what is wrong with the system and reveal how to fix it. Advocating for patient empowerment the book offers a road map for reform that is accessible to patients and policymakers alike. This solution oriented approach aims to dismantle barriers to patient centered care and foster informed decision making. In this compelling critique and call to action *A Return to Healing* provides a clear path towards a more equitable and effective health care system. **Immortal Cultivate in the City** Xin Ruzhishui, 2020-01-03
