Iced: Gold Hockey 1-3 Elise Faber, 2020-05-21 Blocked This is her shot Brit has the chance to make history by being the first female goalie to play for an NHL team the San Francisco Gold So when she is introduced to Stefan the Gold's captain she is determinedly not interested Stefan is sexy charming and has a publicly documented list of conquests a mile long Brit is unwilling to risk mixing business with pleasure even when that business is wrapped up in a six foot plus gorgeously muscled package When management pushes Brit and Stefan together in an effort to gain good press for the beleaguered team Brit finds that her carefully calculated disinterest doesn't mask her body's desires The more she falls for Stefan the more she risks her career Will she be able to have it all a starting position and the heart of the captain Or will she lose everything

Backhand Mike Stewart is a bad boy Sleeping around Boozing Fighting with teammates Name a bad behavior and he's done it done it so well in fact that he almost tanked his career as a starting defenseman for the NHL's San Francisco Gold But Mike is done with all that He's starting with a fresh foot forward and putting his past behind him That is until his past quite literally reappears before his eyes Sara Jetty is just as beautiful as she was a decade before but Mike hasn't seen her since she scored a gold medal in women's figure skating Now something has put shadows in her eyes a familiar type of hurt he is all too well versed in This Sara wants nothing to do with him Their easy friendship is gone and in its place is a hardened woman who's nothing like the girl from his past Still Mike hasn't become a top defenseman in the NHL by being afraid of hard work and he isn't about to let Sara push him away Come hell or high water he's going to crack her tough outer shell and find the sweet innocent woman he's lusted after and loved in equal measure for more than ten years

Princeton Alumni Weekly, 1914 The Cinema of Hockey Iri Cermak, 2017-02-02. Ice hockey has featured in North American films since the early days. Hockey's sizable cinematic repertoire explores different views of the sport, including the role of aggression, the business of sports, race and gender, and the role of women in the game. This critical study focuses on hockey themes in more than 50 films and television movies from the U.S. and Canada, spanning several decades. Depictions of historical games are discussed, including the 1980 Miracle on Ice and the 1972 Summit Series. National myths that inform ideas of the hockey player are examined. Hockey Dad Bob McKenzie, 2013-07-23. A revealing look at the good, the bad, and the ugly of minor hockey culture. Known as TSN's Hockey Insider, Canada's Bob McKenzie is synonymous with the sport and one of its most respected analysts. In *Hockey Dad*, McKenzie describes firsthand the joys and heartbreak of raising two sons with entirely diverging athletic futures. He details their separate paths, describing Michael, a 22-year-old playing NCAA hockey on scholarship, and Shawn, now 19, whose competitive minor hockey life was cut short at age 14 because of multiple concussions. Their deeply personal stories and the trials and tribulations of a father creating futures for them offer readers a compelling look into the world and culture of minor hockey. Includes funny anecdotes, debates on numerous hockey issues, and personal reflections on the game and its culture. With an unwavering look at his own strengths and weaknesses, as well as the entire system of minor hockey in Canada, *Hockey Dad* is an honest, irreverent, and sometimes moving look at a sporting culture that is not so much a recreation as it is a way of life. *Professional Hockey in Philadelphia* Alan Bass, 2020-09-29. The California Golden Seals Steve Currier,2017-11-01 Hockey has had its share of bizarre tales over the years but none compares to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey s traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game One general manager was hauled in for questioning by mysterious men because he d mismanaged a player contract while one of the team s goaltenders regularly spat tobacco juice at the feet of referees The California Golden Seals examines the franchise s entire mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a comprehensive season by season narrative and a section of definitive statistics Currier brings to life the Seals entire history with lighthearted anecdotes personal interviews and statistics about hockey s most infamous losing team
