Al-Anon Narratives Grazyna Zajdow,2002-08-30 According to the author in

Australia men drink alcohol as a mark of masculinity and women take care of drinking men as a part of normative femininity And while research on alcoholics and alcoholism is common very few studies consider the lives of the women who are married to alcoholics Here Zajdow details and explores the lives of such women who belong to Al Anon where they may share their experiences and offer their stories in a nonthreatening and supportive environment The author presents the narratives of these women in the context of her analysis of the self help group to demonstrate how people construct and reconstruct their lives as coherent stories about themselves and to show how these self stories can be changed and reconceptualized within the context of the group Unique in its examination of self stories offered within a self help group this book challenges sociological knowledge about the way these mutual aid groups operate as communities of interest and help Zajdow begins by laying the groundwork through a discussion of the professional and lay discourses on women s relationships to alcoholic men She then provides the basis for using self stories to examine a group of people the individuals in the group and the behavior of the group in general A history of Al Anon as a self help group is also detailed and the author compares the Australian meetings to meetings in other parts of the world The stories themselves are then examined and discussed in terms of how they relate to group processes and individual change through Al Anon Tracing the way that these women move from a place of despair to one of hope and meaningful change this also represents a sociological exploration of gender families and communities *Forthcoming Books* Rose Arny,1997 **Readings** ,1998 **The Publishers Weekly** ,1997 *Al-Anon's Twelve Steps & Twelve Traditions* Al-Anon Family Group Headquarters, Inc,1981 Twelve steps and 12 traditions are for people whose lives have been or are being affected by alcoholism **Older Americans Information Directory** ,1999

Subject Guide to Books in Print ,2001 **Intimate Spirituality** Gordon J. Hilsman,2007-03-15 In *Intimate Spirituality* The Catholic Way of Love and Sex Gordon J Hilsman presents sexual loving as integral to rather than separate from most people s spiritual lives His coalescing of intimate love with traditional Catholic concepts virtues capital sins fruits of the Spirit sacraments augments the pervasively moral view of sex with a spiritual perspective that highlights its beauty and power to shape the virtue of peoples lives Seeing sexual attraction as built into humanity by the Creator to feed and challenge virtually all persons worldwide he illustrates how intimate loving is actually a neglected aspect of Christian spirituality that has never been developed as fully as the individual and the communal Hilsman calls upon theologians and spiritual leaders to further develop the understanding of intimate loving as a genuinely beautiful spiritual aspect of life Many Christians Catholics and Protestants alike who take both their love lives and their Christian faith seriously will find the positive healthy view of sexuality presented in this book illuminating and helpful So will those who counsel them *The 12-Step Buddhist 10th Anniversary Edition* Darren Littlejohn,2019-11-19 Rediscover the classic guide for recovery with this tenth anniversary edition that transcends genres by seamlessly integrating the 12 Step approach Buddhist principles and a compelling personal struggle with addiction and a quest for spiritual awakening Donald Altman author of *Living Kindness*

The face of addiction and alcoholism is recognizable to many it may be a celebrity a colleague or even a loved one And though the 12 step program by itself can often bring initial success many addicts find themselves relapsing back into old ways and old patterns or replacing one addiction with another Working with the traditional 12 step philosophy Darren Littlejohn first shares his own journey and how he came to find the spiritual solace that has greatly enhanced his life in recovery Then he details out how his work integrating Buddhism into the traditional 12 step programs validates both aspects of the recovery process With accessible prose and in depth research he illustrates how each step such as admitting there is a problem seeking help engaging in a thorough self examination making amends for harm done and helping other addicts who want to recover fits into the Bodhisattva path This integration makes Buddhism accessible for addicts and the 12 steps understandable for Buddhists who may otherwise be at a loss to help those in need The 12 Step Buddhist is designed to be a complimentary practice to the traditional 12 step journey not a replacement While traditional programs help addicts become sober by removing the drug of choice and providing a spiritual path they rarely delve deep into what causes people to suffer in the first place In this unique synthesis of the traditional 12 Step model and the liberating wisdom of Dharma Mandala Magazine addicts can truly find a deep spiritual liberation from all causes and conditions of suffering for good [The Cumulative Book Index](#) ,1998 A world list of books in the English language **A Paths to Recovery Twelve Traditions Workbook** George B,2013-10-24 This portion of the book Paths to Recovery presents the traditions followed by all Al Anon Groups The workbook is intended to help people thoroughly study the book [Al-Anon's Twelve Steps & Twelve Traditions](#) Al-Anon Family Group Headquarters, Inc,2005 The Steps out line a program of personal recovery from the often devastating effects of another s alcoholism [A Paths to Recovery Twelve Steps Workbook](#) George B.,2013-10-24 This portion of the book Paths to Recovery explains each of the Twelve Steps of Al Anon The workbook is intended to help people thoroughly study the contents
