Paul: A Guide for the Perplexed Timothy G. Gombis, 2010-09-23 *Paul's Thorn in the Flesh* Kenneth Berding, 2023-02-22 Solving the mystery of Satan's messenger Paul's enigmatic thorn in the flesh in 2 Corinthians has baffled interpreters for centuries Many offer suggestions as to the identity of Satan's messenger others despair that the puzzle is unsolvable In *Paul's Thorn in the Flesh* New Clues for an Old Problem Kenneth Berding reopens the case He follows a trail of clues that includes ancient beliefs about curses details from Paul's letters Jesus's own suffering and the testimony of the earliest Christian interpreters Berding offers twenty criteria some familiar others neglected that any proposal must explain While the usual suspects fall short Berding suggests a new solution one that satisfies all the evidence and gives us a fuller view of Paul Far from an abstract puzzle Paul's own suffering is relevant to Christians today Paul's *Thorn in the Flesh* is an accessible study that casts new light on Pauline studies first century background and theological and pastoral concerns

Paul and Sacrifice in Corinth Martin Sanfridson, 2025-03-17 **Pillars in the History of Biblical Interpretation, Volume 2** Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar's theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed *Dissident Women, Beguines, and the Quest for Spiritual Authority* Catherine Lambert, 2024-11-12 *Dissident Women Beguines and the Quest for Spiritual Authority* focuses on the responses of a group of twenty first century women to the lives and writings of thirteenth century beguine mystics and reveals how the struggle to discover their own inner spiritual authority connects two groups of women across centuries For contemporary women who are disenchanted with the institutional church and who seek spiritual direction models deeply rooted within the tradition may not be the most helpful The author explores the value of exemplars from the fringes ushering Hadewijch of Brabant Mechthild of Magdeburg and Marguerite Porete into the spotlight The contemporary women studied developed a relationship with the beguines that transformed and influenced their own journeys Their encounters underline the importance of remembering the beguine mystics the value of contemplative engagement with

historical mystics and the need for explicit validation of the richness of the edges of tradition within spiritual direction
