Crafting and Executing Strategy Alex Janes, Ciara Sutton, 2017-02-16 This new edition of *Crafting and Executing Strategy* continues to provide a valuable resource for European readers while embracing new and updated core concepts and key theories in strategy. Throughout the text you will find a range of examples that illustrate how strategy works in the real world and encourage the practical application of learning. Complementing the chapters is a section of new cases providing in-depth analysis of the challenges of strategic management at a range of companies. This edition includes A new 6Ds framework allowing readers to structure their approach to strategic management around the fundamental elements of the strategy process: Diagnosis, Direction, Decisions, and Delivery and the context within which that process is managed. Dynamism and Disorder: Opening cases that begin each chapter and feature real-life business scenarios from companies such as Tinder, Ikea, and Victorinox introducing strategic concepts and theories. Illustration Capsules which have been updated to illustrate contemporary business concerns and demonstrate how companies have reacted strategically, increasing understanding of successful strategies. Companies featured include Burberry, TOMS, Aldi, Novo Nordisk and more. Key Debates that stimulate classroom discussion and encourage critical analysis. Emerging Themes that present contemporary strategic opportunities and issues such as ripple intelligence and technology and new organizational structures. A Different View encouraging readers to appreciate differing viewpoints on strategic concepts and theories. End of chapter cases that capture each chapter's main theories through engaging cases on companies such as Adidas and Nike, Lego and Uber. New recommended reading at the end of each chapter which help to further knowledge including classic texts and advanced reading and author notes providing context. Connect is McGraw Hill Education's learning and teaching environment that improves student performance and outcomes while promoting engagement and comprehension of content. New for this edition are interview style videos featuring author Alex Janes in discussion with business leaders exploring how organizational strategy has developed within companies as diverse as Jeep, Levi Strauss, Novo Nordisk and a prestigious oil and gas company. The videos are provided in full length or in segments with questions aimed at encouraging classroom discussion or self-testing. This new edition is available with SmartBook, McGraw Hill Education's adaptive digital tool that tests students' knowledge of key concepts and pinpoints the topics on which they need to focus study time. *Crafting and Executing Strategy* is also available with both *The Business Strategy Game* and *GLO BUS* the world-leading business strategy simulations.

Reimagining Innovation; the Future of Exponential Leadership Aaron Bare, N. Forbes Shannon, 2020-08-20 Bill Gates, Windows and Microsoft changed the world but they were just the beginning. With the rise of digital technology, business moves at unprecedented speeds and now moves at an exponential pace. This pace is wreaking havoc to the business landscape as we know it. Disruption has brought too big to fail companies to their knees in a matter of months and it has

made some industries obsolete Any company or leader that doesn't move at an exponential pace will be crushed by the new massively transformative exponential organizations These organizations are quickly expanding their purpose and invading new industries every day Guides like Bill Gates Jeff Bezos Elon Musk and more continue to provide us a roadmap for how to navigate the exponential horizon Through a collection of nine keys of exponential leadership we have created a formula to navigate the disruption Exponential leadership combined with emerging technologies change and disruption will not only disrupt the world but will save it It is time for a new generation of leadership A leader that is purposeful conscious digital and above all exponential Join us for a journey to reimagine innovation
