M. Neck, Emma L. L. Murray, Christopher P. Neck, 2024 *The Quiet Before* Gal Beckerman, 2022-02-15 A NEW YORK TIMES NOTABLE BOOK NEW YORK TIMES EDITORS CHOICE An elegantly argued and exuberantly narrated The New York Times Book Review look at the building of social movements from the 1600s to the present and how current technology is undermining them A bravura work of scholarship and reporting featuring amazing individuals and dramatic events from seventeenth century France to Rome Moscow Cairo and contemporary Minneapolis Louis Menand author of The Free World We tend to think of revolutions as loud frustrations and demands shouted in the streets But the ideas fueling them have traditionally been conceived in much quieter spaces in the small secluded corners where a vanguard can whisper among themselves imagine alternate realities and deliberate about how to achieve their goals This extraordinary book is a search for those spaces over centuries and across continents and a warning that in a world dominated by social media they might soon go extinct Gal Beckerman an editor at The New York Times Book Review takes us back to the seventeenth century to the correspondence that jump started the scientific revolution and then forward through time to examine engines of social change the petitions that secured the right to vote in 1830s Britain the zines that gave voice to women's rage in the early 1990s and even the messaging apps used by epidemiologists fighting the pandemic in the shadow of an inept administration In each case Beckerman shows that our most defining social movements from decolonization to feminism were formed in quiet closed networks that allowed a small group to incubate their ideas before broadcasting them widely But Facebook and Twitter are replacing these productive private spaces to the detriment of activists around the world Why did the Arab Spring fall apart Why did Occupy Wall Street never gain traction Has Black Lives Matter lived up to its full potential Beckerman reveals what this new social media ecosystem lacks everything from patience to focus and offers a recipe for growing radical ideas again Lyrical and profound *The Quiet Before* looks to the past to help us imagine a different future

Stop Making Others Rich: How Authors Can Make Bank By Selling Direct Morgana Best, 2022-07-31 Do you want to have an author store and don't know where to start Or have one and don't know how to make the most of it Take back your power and control your author finances with an author store Your store is not just another retailer with the right store you can upsell retarget customers bundle products such as an ebook and a print book or whatever you like No more rules No more nastygrams No more spending most of your ad budget to subsidise retailers sending your readers to a page with other

authors books on it With a store you can get paid now That s right now and not in 60 days And no more retailer cuts Ever wondered who buys your books Not any more Now you have data and depending on your storefront analytics This book answers questions such as What should you do when starting out Which storefront would suit Shopify Payhip WooCommerce PayPal button or one of the others What do you need to start a store and if you have a store how do you optimize it Do you really need to train people to buy from your store What about international sales tax It depends on buyer location not just yours Want to sell print but don t want to pay for print upfront handle stock or go to the Post Office And much more Such as Time to think differently about advertising And How to manage change in the industry Plus other insider tips USA Today Bestselling author Morgana Best started selling print direct in 1993 and ebooks as well as print direct from her websites in 2003 She wasn t alone In 2007 indie authors turned to the retailers but now the tide is turning back to selling direct Learn from an actual fiction author who has been selling direct for decades Stop Making Others Rich How Authors Can Make Bank By Selling Direct is the definitive book on authors selling direct      **The Trolls of Wall Street** Nathaniel Popper,2024-06-11 The dramatic story of an improbable gang of self proclaimed degenerates who made WallStreetBets into a cultural movement that moved from the fringes of the internet to the center of Wall Street upending the global financial markets and changing how an entire generation thinks about money investing and themselves Jaime Rogozinski and Jordan Zazzara were not what anyone would mistake for traditional financial power players But they turned WallStreetBets a subreddit focused on risky financial trading into one of the most disruptive forces to bubble up from the fringes of the internet This crude and unassuming message board harnessed the power of memes and trolling to create a new kind of online community The group intertwined with the distrust and turmoil of our times and spoke to a generation of young men who were struggling to find their place in the world Deeply reported and fast moving The Trolls of Wall Street is the suspenseful story of the people who made and lost millions battling with each other and with Wall Street for power and status It is a sobering account of how millions of young Americans became obsessed with money and the markets casting a long and lasting influence over finance politics and popular culture      Bookishly Ever After Mia Page,2024-06-06 Enemies to lovers YES PLEASE I loved every second of this book Reader Review A modern day You ve Got Mail Reader Review Two rival bookstore owners One chance for a happily ever after      Blank Space W. David Marx,2025-11-18 An NPR Most Anticipated Book of Fall 2025 A revealing exploration of a quarter century of cultural stagnation examining the commercial and technological forces that have come to dominate contemporary culture from music and fashion to art film TV and beyond Over the past twenty five years pop culture has suffered from a perplexing lack of reinvention We ve entered a cultural blank space an era when reboots rehashes and fads flourish while bold artistic experimentation struggles to gain recognition Why is risk no longer rewarded and how did playing it safe become the formula for success Acclaimed cultural historian W David Marx sets out to uncover the answers In this ambitious cultural history Marx guides us through the blur of the twenty first century so far from the Obama era to the

rise of K pop from Paris Hilton to the Marvel cinematic universe from Beyonc and Taylor Swift to Beyonc and Taylor Swift whose enduring influence highlights both their adaptability and the broader shifts in pop culture Combining sociological economic and political insights with a deep dive into art street culture fashion and technology Blank Space dissects the rise of profit driven formulaic trends and the shifting cultural norms that often prioritize going viral over innovation He reveals how backlash against indie snobbery and nineties counterculture gave rise to a counter counterculture one marked by antiliberal sentiment the celebration of business heroes and the increasing influence of industry plants and the elite class In a world of crypto bros nepo babies and AI driven art Marx offers readers a much needed dose of clarity and context Vibrantly narrated and sharply argued Blank Space is an essential guide for anyone looking to understand the chaos of the twenty first century the trends tastemakers and icons who shaped it and how we might push our culture forward over the next quarter century through renewed emphasis on creativity community and the values that transcend mere profit
