

Practising Phonics

If your child is learning physics at school, you might want to support them at home but feel unsure of what to do.

[illegible]

If you are not sure what your children's learning has been about, you may prefer to ask your child to prepare a presentation or write a letter to you. They will have to think about what they have learned in order to do this. You can also consider what it is like to be a child who is not allowed to make choices.
