ENTRY-LEVEL RESUME

 (206) 555-1234  3665 McLaughlin Street, Seattle, WA 98039  your-name@email.com

[Today's Date]

[Hiring Manager's Name]

123 Company Address
Company's City, State, Zip Code
(xxx) xxx-xxxx

Dear [Mr./Ms./Mx.] [Hiring Manager's Last Name],

The first paragraph should contain a self-introduction. Write who you are, where your expertise lies, where you found the job posting (or who referred you), and why you want to apply.

The second paragraph should respond directly to the job description. Describe how your relevant experiences, skills, and abilities help you meet the company's needs. To make that easier, you can (and should) literally include words and phrases from the job description here.

- You can also include a bulleted list of your accomplishments
- Make sure you quantify (add numbers to) these bullet points
- A cover letter with numbers is 100% better than one without

To go the extra mile, research the company and try to find out what they are doing — and why— given the current state of their industry. Explain how you can fit into that framework, and help push the company forward and achieve any goals you suspect they have.

The final paragraph is the "call to action" portion of your cover letter. Inform the hiring manager that you'd love to get interviewed. Give them your contact information. Tell them you'll reach out again next week if you don't hear back. Thank them for their time.

Sincerely,

Thomas Beasley

Education Marketing Tony Attwood,2005 **Grateful Caretakers of God's Many Gifts** Joseph M. Champlin,2002 The message of stewardship invites us to give our time talent and treasure in gratitude for our abundant blessings Fostering grateful caretakers in parishes is an ongoing task that requires vision courage and trust In Grateful Caretakers of God s Many Gifts the first major revision of Fr Joseph Champlin s ground breaking sacrificial giving program

Father Champlin continues to encourage the sharing of treasure time and talent transforming parishioners into grateful caretakers of God's many gifts. *Grateful Caretakers of God's Many Gifts* provides a theological and biblical basis for stewardship and gives detailed guidance for sharing time, talent, and treasure. It also offers the history, foundational principles, and implementation steps for sacrificial giving as a form of stewardship. The manual likewise provides a wealth of material for sustaining and strengthening grateful caretaking in a parish on a long-term basis. Finally, it offers practical suggestions on a number of special issues in stewardship, including accountability, annual renewals, customized direct deposit of Sunday offerings, planned giving, and parish stewardship councils, and training our youth to share. Father Champlin shows that the sacrificial giving process effectively supports grateful caretakers of God's gifts: people in the parish willing to share significantly their time, talent, and treasure for the Church and the world. It has been proven in practice, is biblically and theologically sound, actively involves lay persons, touches the hearts of parishioners, is uncomplicated and inexpensive to implement, produces impressive short-term results, and provides long-term possibilities. *Grateful Caretakers of God's Many Gifts* builds on Father Champlin's original sacrificial giving publications in both the theory and practice of how to motivate parishioners to become active stewards of their faith. It has ongoing value for those concerned about fostering grateful caretaking in a parish.

Interfirm Business-to-Business Networks Roger Baxter, Arch G. Woodside, 2011-07-25. The three papers in Volume 17 report new theory and in-depth descriptions of interfirm network behavior. This book reports on the state of academic journal publishing in a range of geolinguistic contexts, including locations where pressures to publish in English have developed more recently than in other parts of the world (e.g., Kazakhstan, Colombia) in addition to contexts that have not been previously explored or well documented. The three sections push the boundaries of existing research on global publishing, which has mainly focused on how scholars respond to pressures to publish in English by highlighting research on evaluation policies, journals' responses in non-Anglophone contexts to pressures for English-medium publishing, and pedagogies for supporting scholars in their publishing efforts.
