Fire Kin: A Second Chance Romantasy M.J. Scott, 2024-10-22 Get ready to be swept away by this darkly intense and steamy romantasy series from RITA Award nominated author M J Scott In a city preparing for war I've chosen a side When my kind the Fae retreated I remained behind with the humans knowing they'd need my talent for healing as they try to defeat the Night World The humans are desperate outnumbered by the Blood and the Beast Kind But I never expected them to seek aid from the one man I've tried everything to forget Asharic is Fae like me and once my heart was his Until he was exiled by the Queen whose death has splintered the city's peace and whose empty throne is dividing the Fae Now he's coming home with his mercenary army to fight a battle I'm not sure we can win I tell myself he means nothing to me now but Ash's power is fire and he still makes me burn with just a look I'm not the only one thrown off balance by his return The vast magic he commands threatens more than just the Night World and there are those who would sacrifice the city to take him down As old enemies move against him and the Blood push for conquest navigating past hurts and new alliances seems impossible To stand against the dark I need to embrace the fire and hope it doesn't leave me with nothing but ashes Fire Kin is the fourth and final book in the Half Light series a dark and steamy romantic fantasy series from RITA Award nominated author M J Scott It's an intense and scorching second chance romance between a Fae healer and the disgraced Fae warrior returning from exile to stop a war If you love worlds with vampires shapeshifters Fae and human magic intrigue and action a la Sarah J Maas then this is your next binge worthy series Author's note This series is complete but in the process of being re-released all books will be available again by the end of October 2024 For tropes and CW please check the author's website

Beat the Bots Jane K. Cleland, 2025-08-12 Beat the Bots offers science based creativity techniques that guide you through the writing process to unlock your imagination and create compelling stories that resonate with emotional truth in ways AI can't match Even though artificial intelligence is based on a technology called machine learning computers can't learn to be creative but you can This book will show you the way AI is by definition derivative not creative It can't bring rational judgment to determine the quality or value of its work When you bring those capabilities to your writing your stories will touch readers' hearts and minds Just as real food is better for us than processed food and actual social interactions are more meaningful than social media when it comes to writing your story artificial intelligence can't replicate your individual human intelligence imagination and sensibility Technical wizardry can't tell your story Only you can do that Your uniqueness is what separates you from a chatbot and explains why you can't be replaced by an algorithm You'll succeed because you're human not in spite of it Through engaging FAQs invaluable Pro Tips and AI Weighs In revelations you'll be able to apply the writing lessons and creativity tactics to all aspects of storytelling bringing your distinctive vision and voice to your projects in ways AI simply can't Thought provoking science based guided exercises challenge you to apply each chapter's lessons to your own writing Whether you're writing a novel literary nonfiction or a memoir you'll be able to write stories that are fresh and

compelling your stories and those are the books that publishers want and readers crave That's how you'll beat the bots
