Snapchat's origin is even wilder than Facebook's but Spiegel's ability to parlay infamy and popularity into revenue is still up in the air. ALEX KARP: An eccentric philosopher with almost no tech background turned a Peter Thiel-backed venture Palantir into a data mining champion with clients like the NSA, the FBI, and the CIA. Amid heated privacy concerns, Karp continues to grow Palantir like crazy to over 1.5 billion in funding and an estimated 1 billion in contracts in 2014. You Only Have to Be Right Once is the definitive collection of everything we can learn from these incredible game changers and what their next moves spell for the future of business.

Use Scarcity Marketing the Right Way: Sell More Without Losing Trust Simon Schroth, 2025-04-05. Scarcity marketing is one of the most powerful tactics in driving sales, but when done wrong, it can damage your reputation and hurt customer trust. Use Scarcity Marketing the Right Way teaches you how to implement scarcity strategies in a way that feels authentic and ethical, ensuring you boost demand without alienating your customers. This book covers how to create genuine urgency and scarcity around your products or services using methods like limited time offers, limited stock releases, and exclusive access. You'll learn how to balance scarcity with value, ensuring that your audience doesn't feel manipulated but instead feels like they're gaining access to something truly special. The book also provides insight into how to communicate scarcity without overhyping, making sure you create excitement without causing disappointment or distrust. With examples from top marketers and case studies of successful scarcity campaigns, you'll learn how to use urgency to drive conversions without crossing the line. If you want to sell more without losing customer trust, Use Scarcity Marketing the Right Way gives you the framework to implement scarcity strategies that work and build long-term customer loyalty at the same time.

Applied Marketing Daniel Padgett, Andrew Loos, 2023-10-03. Applied Marketing 3rd Edition is a comprehensive yet concise modern marketing course that blends solid academic theory with practitioner experience to help students master the core concepts, develop a practical understanding of how to apply marketing principles, and gain perspective on how top marketers operate in today's business world. Co-authors Dan Padgett, an academic, and Andrew Loos, a practitioner, blend solid academic theory and agency owner experience to offer students an insider's view of marketing by bridging the gap between marketing principles taught in the classroom and those same principles as applied by business professionals. Taking a student-centric approach by using digital assets to teach students as well as having students use digital resources for learning encourages students to develop their critical thinking skills by applying core concepts to real-world scenarios.
