

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functionable.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

Sleep Hacks In The Us:

The Body Teaches the Soul Justin Whitmel Earley, 2025-10-28 Your body is more spiritual than you think How can we preach a gospel of peace yet still find our bodies wracked by anxiety How do we call our bodies temples of the Holy Spirit yet regard eating exercise or sleep as inherently unspiritual activities How is it that modern Christians who claim God made their bodies have come to care so little about them Justin Whitmel Earley bestselling author of *The Common Rule* and *Habits of the Household* is intimately familiar with the consequences of ignoring the body As a young lawyer Earley collapsed into anxiety and insomnia that nearly ruined his life In his journey back to mental and spiritual health he realized that the healthy and unhealthy habits shaping his life weren't physical or spiritual they were physical and spiritual *The Body Teaches the Soul* is a practical guide to the union of body and spirit in our overall health With his characteristic vulnerability and story driven approach Earley shares personal failures fascinating research and biblical wisdom to reveal ten simple habits that will improve your health and deepen your relationship with God In these pages you will Connect deeply and positively with your body as the image of God while avoiding the mistakes of ignoring or idolizing the body Explore how daily patterns of healthy eating can be as spiritual as fasting and how rhythms of feasting can become guilt free celebrations of the world God made Recover your mental health through upper brain spiritual truths that work together with lower brain physical practices to reshape thought patterns Develop a sleep routine that honors your body's need for rest and your soul's need for sabbath Discover how to lament sickness and injury while still praying with hope for the miracle of healing Learn how exercise can create a humble lifestyle of loving others with your body instead of becoming a vain search for body image Earley is not a health guru telling you how to get in shape he is the ordinary Christian's guide to rediscovering the extraordinary gift of the body and the spiritual life that flows from it Join this journey of wonder and well being to reconnect with your whole self and repattern your whole life in the image of the God who made you and loves you as you are body and soul *18 Wellbeing Hacks for Students* Aidan Harvey-Craig, 2020-08-21 How can the desk in front of you reveal a whole new perspective on your life What's so important about refusing to board the catastrophe train Why does the anti rotting agent given off by plants make you feel great Through 18 short chapters Aidan Harvey Craig scours every corner of psychology from neuroscience to psychodynamics to uncover the unexpected secrets of hacking your wellbeing Based on the latest research each chapter takes you on a journey of surprises guiding you through an abundance of deceptively simple ideas which will help you to see your world in a new light and improve your wellbeing Organised into three sections Notice Energise and Connect each hack addresses issues that affect us all including our sleep relationships stress identity and our dependence on smartphones Intertwining the latest insights in psychology with practical and easy to use advice this book offers new ways to empower yourself and tackle the challenges of growing up and studying in the 21st Century **Neuro Hack** Debeet Das, 2023-04-07 This book is a fascinating look at the human brain The brain is the most complex and enigmatic organ in the human body It is

the source of our thoughts emotions memories and experiences It is responsible for every action and decision we make and it plays a crucial role in shaping our identity and defining who we are This book is a journey into the mysteries and wonders of the brain It is an exploration of the various functions and processes that make up this remarkable organ and a celebration of the marvels of the human mind We will explore the different regions of the brain their functions and the way in which they work together to create the tapestry of our minds We ll also look at the brain molecule that guides and channels our emotions We will learn in detail various memory tricks and ways we can apply them in our daily lives to hone polish and sharpen our memory to an optimum level which can significantly impact our personal professional and mental lives in a positive way The final section will go over memory sins different types of memory failure and the effects of stress on the brain **Annual**
