How to Resist Amazon and Why Danny Caine, 2022-09-20 When a company's workers are literally dying on the job when their business model relies on preying on local businesses and even their own vendors when their CEO is the richest person in the world while their workers make low wages with impossible quotas wouldn't you want to resist Danny Caine owner of Raven Book Store in Lawrence Kansas has been an outspoken critic of the seemingly unstoppable Goliath of the bookselling world Amazon In this book he lays out the case for shifting our personal money and civic investment away from global corporate behemoths and to small local independent businesses Well researched and lively his tale covers the history of big box stores the big political drama of delivery and the perils of warehouse work He shows how Amazon's ruthless discount strategies mean authors publishers and even Amazon themselves can lose money on every book sold And he spells out a clear path to resistance in a world where consumers are struggling to get by In depth research is interspersed with charming personal anecdotes from bookstore life making this a readable fascinating essential book for the 2020s

How to Save the Amazon Dom Phillips, 2025-06-10 Journalist Dom Phillips traveled deep into the Amazon rainforest searching for solutions to the problem of deforestation a threat to the local ecosystem native tribes and the global climate When he was murdered in the Javari Valley by a group of environmental criminals a cohort of journalists and activists took up his work to finish his book and share his important message During the dark days of the Bolsonaro administration British journalist Dom Phillips set out to accomplish an ambitious goal through research interviews and site visits deep in the rainforest he would emerge with a book answering the question how can we save the Amazon Traveling with his companion Indigenous expert Bruno Pereira Dom's adventure includes trekking through Amazonia to see where ranching fires illegal fishing mining the drug trade and urbanization have deforested and degraded millions of acres of important forest degraded ecosystems and created dangerous conditions for the Indigenous tribes who have called the Amazon home for thousands of years Jair Bolsonaro came into power on a platform of anti environmental exploitation and deregulation During his term deforestation in the Amazon the lungs of Planet Earth increased exponentially as environmental criminals took advantage of lax rules advantageous land use policy

and the difficulty of enforcing laws in a remote area of immense size Lawlessness reigned and environmental activists found themselves in danger With the intention of discovering strategies to protect both the land and the people who inhabit it Dom connected with politicians farmers and Indigenous activists to study the benefits and pitfalls of solutions like agroforestry tourism and the bioeconomy While traveling by boat in the Javari Valley Dom and Bruno were brutally murdered Unwilling to see her late husband s work be for naught Dom s widow Ale and his literary agent assembled a team of expert writers journalists and activists to complete his work with each tackling one unfinished chapter and grappling with the challenge of interpreting his field notes and discovering his conclusions How to Save the Amazon therefore is a book both by and about Dom Phillips his quest for answers and his search for hope A work of courage interrupted by tragedy No book speaks more persuasively to the importance of the Amazon and the dangers that it faces Elizabeth Kolbert Pulitzer Prize winning author of The Sixth Extinction We can t let life on this earth be snuffed out this powerful book will help us rise to this challenge Bill McKibben author of The End of Nature

HOW TO HACK AMAZON JAVIER CLEMENTE ENGONGA AVOMO, A computer hacker is an expert in this case in computer science who uses his technical knowledge to achieve a goal or overcome an obstacle within a computer system by non standard means Writing a book or two a day is not a very standard means and when it becomes three or two or three hundred titles you start to take it seriously especially when you see the results and the results are obvious when you see the curve growing ever upwards It s only the beginning but a few months can define a lifetime as these last two years have been for humanity as a whole We have all learned that we are very different at the same time as we are similar in the essential that we all want to be alive Death or crisis brings out the best or the worst in us and the reality is that human beings are complex beings I do not consider myself an expert in any branch of computing I have not received any special training in anything to do with computers or computer security My computer does not even have antivirus and is open to access by what for many is a big problem because they believe in their right to privacy and do not think many times about the right of everyone of the whole world to a greater and total security This book is not to encourage or motivate anyone to do anything illegal by misunderstanding the definition of hacking In chess checkmate is the move that consists of threatening the king so that he cannot defend himself and puts an end to the game I do not know how to play table chess because my mind is that of quantum chess I didn t know it before because I didn t know neither my true potential nor that of the world inside my old computer that world which is a wonder Thank you for reading these lines Javier Clemente Engonga 07 07 2021

Sell it Online: How to Make Money Selling on eBay, Amazon, Fiverr & Etsy Nick Vulich, 2014-06-28 eBay Amazon Etsy Fiverr So many choices How do you decide Which site is right for your online business Many books promise to share the secrets to getting wealthy selling online They tell you to sell this or that product or to try this top secret listing method or to sign up for this course But that s all they are promises Sell It Online is different It s written by a real eBay Power Seller and Top Rated Seller One who s been selling on eBay and Amazon for over fifteen years

Most importantly Sell It Online doesn't make any crazy promises that you'll make a million dollars overnight selling on any of these sites. It's not going to happen. It also doesn't tell you that you can make three thousand dollars a month following my method because those kinds of promises don't make sense. Anyone can make money selling online. But you aren't going to make a fortune following someone else's plan.
