Your Culture is a guide to transforming business by rethinking the workplace Written by a team of trail blazing leaders this
book reveals the secrets of companies that discovered the power of culture and space This insightful guide reveals what
companies lose by viewing office space as something to manage or minimize With practical tips and implementation details
the book helps the reader see that the workspace is in fact a crucial driver of productivity and morale Change Your Space
Change Your Culture was born out of recent studies that expose truly outrageous Oh my God realities More than 70 percent
of the workforce either hates their job or they are just going through the motions Half of all office space is wasted Those
shattering facts exist because office space is generally regarded as overhead or sunk cost Most buildings today clearly
communicate the low priority placed on people friendly design Poor workforce engagement is baked into the culture This
book provides guidance on turning this around by rethinking and reshaping space to align with the way people work
Specifically this book moves from the high altitude view down to the details on how to Discover the fastest easiest and most
cost effective way to shift culture Add square footage by using space more effectively Boost employee engagement and
vitality by the creative use of space Learn how space can become a powerful productivity tool We all know that design space
and flow have a powerful effect on the human psyche Our homes museums sports arenas places of worship and even airport
terminals reveal that Environment can inspire dread or enthusiasm distraction or focus collaboration or isolation That s why
the office must be designed to inspire the desired culture and workflow if it s not properly designed no program training or
