Comparative Development of India & China Neena Sondhi, Ramakrushna Panigrahi, Miao Pang, Rajashri

Chatterjee, 2020-12-01 The prodigious economic growth of India and China over the last three decades has ensured their rightful prominence in the global economic order. The two players opened up their respective economies to liberalization and market regulations which led to a tectonic shift from agriculture based economies to manufacturing and service based economies. In this context, *Comparative Development of India and China* offers contemporary research on economic, technological, sectoral and sociocultural issues by highlighting the opportunities as well as vulnerabilities in the development of the two fastest growing nations in the world. It unveils the similarities of thought and practices and explores the plethora of possibilities for collaborative effort that may serve to contribute to the prosperity and progress of both the countries. The perspectives presented by various Indian and Chinese scholars in this edited volume provide varied outlooks and insights on these two nations albeit within a single thematic framework. **Management Communication** James S.

O'Rourke, 2019-04-18 This textbook introduces students to the strategic communication methods that are crucial to master in order to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world and O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This edition includes several classic and new features. The strategic approach is integrated throughout the book, allowing students to understand how a communicated message impacts the business as a whole. Case studies throughout the book provide students with hands-on experience of scenarios they will encounter in the real world. The book includes at least three dozen fresh classroom-tested cases. An ethical thread is woven through the text, demonstrating how ethical decision making can be applied in all aspects of communication. Separate chapters on technology, including social media, intercultural communication, nonverbal communication, and conflict management, provide students with the skills to building relationships and influencing stakeholders, key skills for any manager. A companion website includes comprehensive support material to teach this class, making *Management Communication* a complete resource for students and instructors.
