The Healing Guide to Flower Essences Alena Hennessy, 2020-06-16 *The Healing Guide to Flower Essences* shows you how to connect with the magic and frequency of 100 flower essences. The power of Nature to heal has been accepted for many millennia. Flowers inspire us with their beauty, beguile us with their fragrance, and can have medicinal properties in their oils and plant matter. However, the healing properties of flowers go even deeper. Each flower holds a unique energetic fingerprint or essence that can be used for healing, wellness, and self-discovery. Organized by categories such as transformation, inspiration, boundaries, and self-esteem, you will be able to easily find the right remedy for your wellness and self-discovery. For example, you can use Larch for overcoming doubt and insecurity, Gentian for perseverance and optimism after a setback, or Cherry Plum for surrender and trust in one's soul path. You'll also learn about the history of flower essences and the original 38 Bach flower remedies. Learn how to connect more deeply with the properties and messages of the flowers by making your own flower essence remedies. Written by noted artist Alena Hennessy, *The Healing Guide to Flower Essences* is also lovingly illustrated with original botanical art and illustration.
