Alexander,2017-08-01 Not enough is the theme of our day Fear scarcity and inequality dominate the media cycle and are constant companions in our culture While 74 percent of Americans believe in God we can feel our world changing in ways that simply seem out of control We want to cling to a sovereign and loving God who tells us repeatedly in Scripture to fear not yet it is estimated that nearly 90 percent of his followers have a scarcity mentality rooted in fear Five times in Scripture Jesus showed us a pattern to deal with fear and how to access his abundant provision both spiritually and practically In The God Guarantee Jack Alexander uncovers the four steps in this pattern showing readers how to live it out in order to experience true abundance Far from a prosperity gospel this book is not about how to get rich quick how to manage your money or how to give it all away Instead it will change the reader s conversations about finances completely and as a result will transform the way they see and access God s provision in every single area of their lives Rowing News ,2002-11-29
