Penenberg,2009-10-13 Here s something you may not know about today s Internet Simply by designing your product the
right way you can build a flourishing business from scratch No advertising or marketing budget no need for a sales force and
venture capitalists will flock to throw money at you Many of the most successful Web 2 0 companies including MySpace
YouTube eBay and rising stars like Twitter and Flickr are prime examples of what journalist Adam L Penenberg calls a viral
loop to use it you have to spread it After all what s the sense of being on Facebook if none of your friends are The result
Never before has there been the potential to create wealth this fast on this scale and starting with so little In this game
changing must read Penenberg tells the fascinating story of the entrepreneurs who first harnessed the unprecedented
potential of viral loops to create the successful online businesses some worth billions of dollars that we have all grown to rely
on The trick is that they created something people really want so much so that their customers happily spread the word
about their product for them All kinds of businesses from the smallest start ups to nonprofit organizations to the biggest
multinational corporations can use the paradigm busting power of viral loops to enable their business through technology
Viral Loop is a must read for any entrepreneur or business interested in uncorking viral loops to benefit their bottom line
