Hollywood is Everywhere Melis Behlil,2025-10-01 Hollywood has a long tradition of bringing in emigre directors from around the world dating back to the silent era Today as the film industry is ever more global the people who make blockbuster movies seemingly reflect this tradition hailing from many countries across the world But that fact hides a fundamental difference one that Melis Behlil examines in Hollywood is Everywhere today s Hollywood studios are themselves transnational with ownership structures and financial arrangements that stretch far beyond the borders of the United States Seen in that context today s international directors are less analogous to the

emigre talent of the past than to ordinary transnational employees of other major global corporations **Screen Digest**
