Race and Football in America Dawn Knight, 2019-07-01 The beautifully written biography of the first African American player to be drafted by the NFL a must read for any sports fan Warren Rogan host of the podcast Sports Forgotten Heroes As the first African American to play quarterback George Taliaferro was a trailblazer whose athletic prowess earned him accolades throughout his football career Instrumental in leading Indiana University to an undefeated season and undisputed Big Ten championship in 1945 Taliaferro was a star when many major universities had no black

players on their rosters and others were stacking black players behind white starters George Taliaferro would later rack up impressive statistics while playing professionally for the New York Yanks Dallas Texans Baltimore Colts and Philadelphia Eagles His athletic prowess did little to prevent him from facing segregation and discrimination on a daily basis but his popularity as an athlete also gave him a platform Playing professionally gave Taliaferro more opportunity to use football to fight oppression and to interact with other important trailblazers like Joe Louis Nat King Cole Muhammad Ali and Congressman John Lewis

Race and Football in America tells Taliaferro's story and profiles the experiences of other athletes of color who were recognized for their athleticism yet oppressed for their skin color as they fought and continue to fight for equal rights and opportunities Together these stories provide an insightful portrait of race in America A portrait of a young man who overcame the obstacles of racism the military draft and the death of his father His vehicle for climbing over obstacles was athletic prowess and inner strength Jim Baumgartner College Football Hall of Fame

Pay, Quit, or Die Don Herion, 2008-03-31 Organized crime the Mafia or the Outfit as it is known in Chicago is surrounded by a false glamour that elevates mobsters to the level of swashbuckling folk heroes whose ready violence and savage murders are too often excused in the public mind as acceptable because they only hurt each other Similarly illegal gambling the bread and butter racket inevitably combined with loan sharking and extortion is widely tolerated because it is perceived to be a victimless crime Donald H Herion a US Army veteran during the Korean War who grew up in a neighborhood where there was a bookmaker on every corner sometimes two or three learned just how wrong all that was when he returned home from the Army and joined the Chicago Police Department He wasn't sure that he was doing the right thing at the time because he really never liked cops but if he didn't like it he could always quit he thought After six years learning the ropes in the patrol division collaring burglars and stick up men chasing daredevil drivers calming adversaries in domestic disputes and riding herd on drunks and dope dealers he was promoted to plainclothes as a vice cop investigating illegal gambling narcotics prostitution and gang bangers He quickly learned that chasing bookmakers and busting up wire rooms was a fight against organized crime Illegal gambling was organized crime's biggest money maker the Golden Calf that financed most of its other illicit activities ranging from stock and bankruptcy swindles to the narcotics trade Herion and his partner were transferred to the Vice Control Section of the Organized Crime Division at police headquarters at 1121 S State Street He now had jurisdiction to make raids anywhere in the City of Chicago instead of only in his district He was promoted to detective then sergeant he rubbed shoulders with degenerate gamblers bookmakers prostitutes and stone cold killers while witnessing first hand how gambling destroys lives He broke up more than 4 000 gambling operations arrested hundreds of mob controlled bookmakers and other racketeers Herion also had the pleasure of busting up the mob's biggest floating crap game eight times costing the crime syndicate millions of dollars To accomplish this it was necessary for him to work on his own time as well as city time The mob moved the game into the suburbs which was out of his jurisdiction so Herion worked with Chicago Tribune crime

reporter Bob Wiedrich to get the job done The crap game took every precaution necessary to keep from being discovered Lookouts with walkie talkies roved the area where the game was held to warn the operators of the game of any police in the area One suburb had a local police lieutenant and sergeant as lookouts the lieutenant who became aware of there presence in the area stuck his gun in their face wanting to know who they were Herion had used his own car to conduct a surveillance hoped that the lieutenant didn t check his license number When the reporter explained to the lieutenant that they were watching a crime syndicate crap game going on in a building down the street and would he like to accompany them on a raid the lieutenant at this point made an excuse and left the area This of course caused some heat but the reporter had already had his story about the game which made headlines in the Chicago Tribune the next day On another occasion the game began again and was next to a railroad track in another suburban building in Melrose Park a suburb west of Chicago There was only one road in and out lookouts with walkie talkies were posted everywhere in the area Herion had his son Don print a sign on plasterboard 4 by 6 with large letters in red paint CRAP GAME operated by Mob Boss JACKIE CERONE with an arrow pointing to where the game was being held Herion nailed the sign on a telephone pole on the road leading to the game Wi
