Kitts,2015-08-27 This is the first critical biography to explore John Fogerty s life and his music When inducting Creedence Clearwater Revival into the Rock and Roll Hall of Fame in 1993 Bruce Springsteen referred to the music s power and its simplicity its beauty and poetry and a sense of the darkness of events and of history of an American tradition shot through with pride fear and paranoia This book investigates those aspects and more of Fogerty s songs and life his Americanism his determined individualism and unyielding musical vision which led to conflicts with his band isolation from his family constant legal battles and some of the greatest songs of the 20th century Nordic Speculative Fiction Jyrki Korpua,Aino-Kaisa Koistinen,Hanna-Riikka Roine,Marta Mboka Tveit,2024-12-20 This volume brings together scholarly theories and practices on speculative fiction from the Nordic countries including Denmark Finland Iceland Norway and Sweden that are all rooted in similar values culture and history yet are independent and unique societies The book exhibits both the convergences and the diversity of the Nordics in fiction and fandom as well as in research It traces the roots of Nordic speculative fiction how it has developed over time and how the changes in Nordic environments and societies caused by overhanging shared global issues such as climate change mass migration and technological acceleration find space in speculative practices The first of its kind this book allows for deeper insights into the unique characteristics that make Nordic literature and art recognisable and allows for a better understanding of the place of the Nordics within wider global culture systems The chapters range from literary critiques film and television studies creative works by three Nordic creative writers transcultural text comparisons and contributions on speculative art to theoretical and methodological discussions on fandom worldbuilding and semantics Part of the Studies in Global Genre Fiction series this book contributes to connecting Nordic speculative fiction scholarship to the wider global community within the field It will be of interest to scholars and general enthusiasts of speculative fiction and those with interest in Nordic fiction film and television studies literary culture or media studies comparative literature and cultural history or art based research **Frontiers in Fake Media Generation and Detection** Mahdi Khosravy,Isao Echizen,Noboru Babaguchi,2022-05-28 The book presents recent advances in the generation and detection of fake multimedia It also presents some frontiers in defensive techniques in front of skillfully cloned media The ultimate purpose of the research direction presented by this book is to build up a trustworthy media network benefited by an iron dome in front of media clones attacks The book focusses on 1 applications of deep generative models in the generation of fake multimedia and 2 cyber defensive and detective techniques in front of cyberattacks The book is composed of three parts i introduction ii fake media generation and iii fake media detection *Disability Hate Speech* Mark Sherry,Terje Olsen,Janikke Solstad Vedeler,John Eriksen,2019-11-08 This book the first to specifically focus on disability hate speech explains what disability hate speech is why it is important what laws regulate it both online and in person and how it is different from other forms of hate Unfortunately disability is often ignored or overlooked in academic legal political and cultural analyses of the broader problem of hate speech Its unique personal ideological economic political and legal dimensions have not been recognized

until now Disability hate speech is an everyday experience for many people leaving terrible psycho emotional scars This book includes personal testimonies from victims discussing the personal impact of disability hate speech explaining in detail how such hatred affects them It also presents legal historical psychological and cultural analyses including the results of the first surveys and in depth interviews ever conducted on this topic in some countries This book makes a vital contribution to understanding disability hatred and prejudice and will be of particular interest to those studying issues associated with hate speech disability psychology law and prejudice      **Ecclesiastical Review ...** Herman Joseph Heuser,1903      **Gaming**

**Democracy** Adrienne L. Massanari,2024-10-15 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism      The English Historical Review ,1893
