

Pageant Introductions

The introduction at a pageant is an important moment for a contestant. This is the contestant's time to shine and make a lasting impression on the pageant judges.

Prepare a **brief** introduction, before arriving at the pageant. A good pageant introduction highlights more than your name. Make up a few sentences that state your name, current title, where you are from and at least one other interesting fact about yourself or your state.

Practice saying introduction with good posture. A straight spine and a head held high show that you are confident and prepared. Relax as much as possible and keep your arms hanging at your sides. Do not adjust the microphone.

Speak slowly, clearly and with confidence. This will be simple, if when there is a well-prepared introduction. Enunciate words properly and speak with assertion and authority. Keep a proper distance from the microphone to avoid distracting popping sounds. A good microphone is able to pick up speaking from a couple of inches away.

Smile, while speaking. A gentle smile helps make the contestant approachable to the judges. It also portrays a confident attitude, which is something the judges are looking for in a pageant contestant.

Example 1:

Hailing from the Lone Star State where the stars shine bright, hoping to shine for you...your Mrs. All American Texas Woman, Teresa Mudrow.

Example 2:

From the state that four out of the five Great Lakes prefer. I am your Mrs. All American Michigan Woman, Teresa Mudrow.

***This is NOT a 60 platform speech.
Keep it to about 10 to 15 seconds.**

This groundbreaking collection presents the current state of play and longstanding LGBTQ debates in this often overlooked region of Asia. The diversity of both the subject and the region is reflected in the broad scope of topics addressed from the impact of Japanese queer popular culture on queer Filipinos to the politics of public toilets in Singapore and the impact of digital governance on queer communities across ASEAN. Taken in combination, these investigations not only highlight the operations of queer politics in Southeast Asia but also present a concrete basis to reflect on queer knowledge production in the region. A vital resource for students and scholars of gender and sexuality in Southeast Asia or any Queer or LGBTQ studies looking beyond the West.
