Romantasy S This Week:

Fantasy from A to Z Joe Vasicek, 101-01-01 From Tolkien to today why fantasy still matters Fantasy isn't just about dragons quests and magic it's about wonder meaning and the longing for a world that feels more real than our own In **Fantasy from A to Z** author Joe Vasicek takes readers on a journey through twenty six essays that explore the heart of the fantasy genre what makes it timeless what gives it power and why it continues to speak to us in a world that has forgotten how to dream From archetypes and epic battles to kings magic and the coming rise of noblebright Vasicek traces fantasy's roots back to the myths and moral struggles that define us as human beings Part literary exploration part personal manifesto this book is a love letter to the stories that shaped us and a roadmap for anyone who believes that the world of wonder is still worth fighting for

The Global ISBN Handbook Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13 digit number on the back of a book costs 125 in the United States but is completely free in Canada and India This book **The Global ISBN Handbook** is your 2025 guide to the International Standard Book Number It explains everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10 digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives deep into how different countries run their systems You'll see the privatized high cost model in the United States You'll compare it to Canada's free government run system We explore the industry led models in Brazil and Germany We look at government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a true global analysis It directly compares the privatized for profit models in the US and UK against the free public good systems in Canada and South Africa You won't just learn the price you will understand the cultural policies market structures and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number can be a commercial product in one nation a tool of cultural policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market

Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under the principle of nominative fair

Archer, 2020-09-22 This boxed set contains the first 3 books in the AFTER THE RIFT romantasy romantic fantasy series by multi USA Today and Wall Street Journal bestselling author C J Archer Series is complete with 6 books This fantasy novel is simply the most captivating I remember reading in decades of fantasy books It has been years and years since I have stayed up all night literally to read a book An exceptional story plot with characters who are written in a manner that makes them feel so real How does Ms Archer create pure magic so easily This is one of the best books that she has ever written ABOUT BOOK 1 THE PALACE OF LOST MEMORIES The king s magnificent palace was built in a matter of weeks No one saw the builders no villagers are allowed beyond the gilded gate and only one servant has ever left The haunted look in her eyes as she was recaptured by the palace guards is something Josie daughter of the village healer has never forgotten For Josie the palace is a mystery that grows more intriguing after she meets the captain of the guards a man known only as Hammer as mysterious and captivating as the palace itself Whispers of magic fuel Josie s desire to uncover the truth but an ordinary girl like her can only dream of ever being invited inside When the king decides to take a wife from among the eligible daughters of the noble families the palace gates are finally thrown open and the kingdom s elite pour in In a court where old rivalries and new jealousies collide the king s favorite is poisoned and the healer is summoned

As her father's assistant Josie finally sees inside the lavish walls but she soon learns the palace won't surrender its secrets easily for not a single resident from the lowest servant to the king himself has a memory from before the palace existed In her quest to help the servants Josie becomes embroiled in courtly intrigues alongside the enigmatic captain As their feelings for each other grow the hopelessness of their situation becomes apparent How can she love a man who doesn't know his own past To make matters worse they discover that ending the enchantment will shake the very foundations of the kingdom and destroy everything Josie holds dear
