Then I Invite You To Take Advantage Of My Limited Time Discount. We're all driven and motivated by something. The goals, the dreams, the passion, all of those driving forces keep us moving forward one foot in front of the other. That motivation gives you the carpe diem you need to seize your day. How do you keep that fire of desire going? With a good morning routine. A morning routine that leaves you feeling empowered, energized and ready to take on the rest of the day is the defining success factor. Your morning routine sets the tone for how the rest of your day is going to go. Everyone's got their way of how they like to get things done in the morning but if your current morning habits are leaving you feeling tired, uninspired and drained mentally and emotionally even before your day has begun, clearly something needs to change. Let the first act of every morning be to make the following resolve for the day: I shall not fear anyone on Earth. I shall fear only God. I shall not bear ill will toward anyone. I shall not submit to injustice from anyone. I shall conquer untruth by truth. And in resisting untruth I shall put up with all suffering. Mahatma Gandhi. We require routine and tradition. That's order. Order can become excessive and that's not good but chaos can swamp us so we drown and that is also not good. We need to stay on the straight and narrow path.
