Wellness Nathan Hill, 2023-09-19 NEW YORK TIMES BESTSELLER OPRAH'S BOOK CLUB PICK AN NPR BEST BOOK OF THE YEAR The New York Times best selling author of *The Nix* is back with a poignant and witty novel about a modern marriage and the bonds that keep people together Mining the absurdities of contemporary society *Wellness* reimagines the love story with a healthy dose of insight irony and heart A stunning novel about the stories that we tell about our lives and our loves and how we sustain relationships throughout time it's beyond remarkable both funny and heartbreaking sometimes on the same page NPR When Jack and Elizabeth meet as college students in the gritty 90s Chicago art scene the two quickly join forces and hold on tight each eager to claim a place in the thriving underground scene with an appreciative kindred spirit Fast forward twenty years to suburban married life and alongside the challenges of parenting they encounter the often baffling pursuits of health and happiness from polyamorous would be suitors to home renovation hysteria For the first time Jack and Elizabeth struggle to recognize each other and the no longer youthful dreamers are forced to face their demons from unfulfilled career

ambitions to childhood memories of their own dysfunctional families In the process Jack and Elizabeth must undertake separate personal excavations or risk losing the best thing in their lives each other Towards a Hybrid, Flexible and Socially Engaged Higher Education Michael E. Auer,Uriel R. Cukierman,Eduardo Vendrell Vidal,Edmundo Tovar Caro,2024-02-25 We are currently witnessing a significant transformation in the development of education on all levels and especially in post secondary education To face these challenges higher education must find innovative and effective ways to respond in a proper way The pandemic period left us with profound changes in the way we teach and learn including the massive use of new means of communication such as videoconferencing and other technological tools Moreover the current explosion of artificial intelligence tools mainly used by students is challenging teaching practices maintained for centuries Scientifically based statements as well as excellent best practice examples are absolutely necessary The 26th International Conference on Interactive Collaborative Learning ICL2023 which will take place in Madrid Spain between 26th and 30th September 2023 will be the perfect place where to present and discuss current trends in Higher Education Since its beginning in 1998 this conference is devoted to new approaches in learning with a focus on collaborative learning in Higher Education Nowadays the ICL conferences are a forum of the exchange of relevant trends and research results as well as the presentation of practical experiences in Learning and Engineering Pedagogy In this way we try to bridge the gap between pure scientific research and the everyday work of educators
