**Operational Risk Management** Philippa X. Girling, 2022-02-17  
 Identify, assess and mitigate operational risk with this practical and authoritative guide. In the newly revised second edition of *Operational Risk Management: A Complete Guide for Banking and Fintech*, accomplished risk executive and expert Philippa Girling delivers an insightful and practical exploration of operational risk in organizations of all sizes. She offers risk professionals and executives the tools, strategies and best practices they need to mitigate and overcome ever-present operational risk challenges that impact business in all industries. This latest edition includes insight into how operational risk can be effectively managed and measured in today's digital banking age. Updates on the latest regulatory guidance on operational risk management requirements in all aspects of the operational risk framework. Updates on the new Basel II capital modeling methodology for operational risk. New explorations of operational risk events in recent years, including the impact of the global Covid-19 pandemic. Updated case studies, including large events at Wells Fargo, Credit Suisse and Archegos Capital Management. Ideal for executives, managers and business leaders. *Operational Risk Management* is also the perfect resource for risk and compliance professionals who wish to refine their abilities to identify, assess, mitigate and control operational risk.

**Tax Audits** Bianca Harrington, 2025-02-27  
*Tax Audits* serves as a comprehensive guide illuminating the path through tax compliance and financial inspections. It focuses on proactive strategies to navigate the complexities of tax audits. Understanding common audit triggers, such as statistical outliers or inconsistencies in tax reporting, is crucial. The book also emphasizes the importance of robust compliance strategies and meticulous preparation to minimize audit risk and ensure financial stability. Did you know that proactive tax compliance can significantly reduce the likelihood of an audit? The book progresses logically, beginning with fundamental concepts and legal frameworks, then moving into detailed analyses of audit triggers and compliance strategies. It culminates in practical guidance on responding to audit findings and implementing improvements. By understanding the roles of tax authorities and mastering record-keeping best practices, readers gain a strategic advantage. This approach distinguishes *Tax Audits* by offering actionable advice and a framework for building a culture of compliance rather than simply explaining tax law. This resource is invaluable for business owners, financial managers and tax professionals aiming to proactively manage tax compliance. By providing practical strategies, real-world examples and a clear understanding of the tax audit process, the book empowers readers to navigate financial inspections with confidence.
