These tips are from sleep researchers and experts who have taken time to study the sleeping patterns and requirements of human beings. It's a concern among many medical practitioners that sleep is something that is not getting the attention it deserves in our country *Sleep Hacking!* Dominique Francon, 2014-08-20 27 Proven Tips to HACK Your Sleep And Your Life Forever Do You Want to Sleep Better Feel Energized if you want to live a long happy life then you NEED to learn how to hack your sleep. Yes you need it. It doesn't matter what you do maybe you work at a retail company maybe you're a lawyer trying to close a deal or a stock broker hoping to make a sale. When it comes to sleep we are ALL in the same game and yet most people don't even realize it. Most people don't even take the time to get better at one of the most important activities there could ever be. That's precisely why at least 80% of the world population absolutely SUCK at sleeping. They SUCK at using the strategies they should. And so I did back before I learned these secrets. It took me time to learn the right secrets. It took me a lot of time and trial and errors to build the adequate field of sleep knowledge. And now I'm willing to share those secrets with you. I wrote this book for a reason. I wrote this book to show HOW you can impact your sleep and therefore your life. I wrote it to show you how you can skip the averages and go the whole way. You see I may not know you but I certainly know something about you both you and me are alike. Whether you are just getting started at the sleep of and have no idea what REM stands for or even if you are an experienced hacker with tons of tips on your repertoire I know you don't settle for average. I know you want something better. You won't stop until you achieve the absolute best version of yourself. You won't stop until you leave the pack behind become a true sleep hacking master. And guess what That's precisely what we will go for on this book. Hey I'm not saying this is easy peasy. There's a bit of learning we have to go through first. And there's a lot of UNLEARNING we have to go through. Making excuses self-limiting beliefs wrong methods we will throw all that stuff AWAY and replace them with new empowering beliefs. This is absolutely key. Don't worry I've got you covered we'll get everything right before carry on comprehend each and every aspect of the Art of Sleep. Yes I said ART. What is sleep hacking if not an art. It's our way of taking care of our bodies. It's our way of expressing how much we love ourselves. I'm glad to be here to share this journey with you. My goal is simple I will help you become the absolute BEST version of yourself you can become. The absolute BEST individual you've ever been. Sounds too difficult. It's not I will show you how I will take you through a step by step guide where you simply can't get lost.
