considerate Is he a peach of a pooch or what Bill Reed is an Australian novelist playwright and short story writer with national awards for all three He now lives in both Australia and Sri Lanka The Return of the Moguls Dan Kennedy,2018-03-06 The Return of the Moguls chronicles an important story in the making one that will affect more than just the newspaper business it has the power to change democracy as we know it Over the course of a generation the story of the daily newspaper has been an unchecked slide from record profitability and readership to plummeting profits increasing irrelevance and inevitable obsolescence The forces killing major dailies alternative weeklies and small town shoppers are well understood or seem obvious in hindsight at least and the catalog of publications that have gone under reads like a who's who of American journalism During the past half century old style press barons gave way to a cabal of corporate interests unable or unwilling to invest in the future even as technological change was destroying their core business The Taylor family sold the Boston Globe to the New York Times Company in 1993 for a cool 1.1 billion Twenty years later the Times Company resold it for just 70 million The unexpected twist to the story however is not what they sold it for but who they sold it to John Henry the principal owner of the Boston Red Sox A billionaire who made his money in the world of high finance Henry inspired optimism in Boston because of his track record as a public spirited business executive and because his deep pockets seemed to ensure that the shrunken newspaper would not be subjected to further downsizing In just a few days the sale of the Globe was overtaken by much bigger news Jeff Bezos the founder of Amazon and one of the world's richest people had reached a deal to buy the Washington Post for 250 million Henry's ascension at the Globe sparked hope Bezos's purchase seemed to inspire nothing short of ecstasy as numerous observers expressed the belief that his lofty status as one of our leading digital visionaries could help him solve the daunting financial problems facing the newspaper business Though Bezos and Henry are the two most prominent individuals to enter the newspaper business a third preceded them Aaron Kushner a greeting card executive acquired California's Orange County Register in July 2012 and then pursued an audacious agenda expanding coverage and hiring journalists in an era when nearly all other newspaper owners were trying to avoid cutting both The newspaper business is at a perilous crossroads This essential book explains why and how today's new crop of media moguls might help it to survive Return From Berlin Robert Grolley,2005-03-01 During the summer of 1944 the US Eighth Air Force was engaged in a ferocious daytime bombing campaign over Europe This book is the memoir of a B 17 navigator who found himself far from his American home based in the English countryside of Northamptonshire His war in the air flying deep into enemy territory surviving intense enemy anti aircraft fire and enemy fighter attacks portrays the sometimes conflicting emotions of a young man at war The book also relates how the friendship with their eight year old daughter a relationship that becomes a symbol of survival **When Baseball Returned to Brooklyn** Ed Shakespeare,2003-05-13 Major league baseball has a long rich history in Brooklyn From the time Brooklyn started play in 1884 until their move west to Los Angeles following the 1957 season the Dodgers and their predecessors were the emotional center of the borough's
