Economics Today Miller, Roger LeRoy, 2005

Management Science, 2005 Issues for Feb 1965 Aug 1967 include Bulletin of the Institute of Management Sciences

Antitrust Law, 2008 View or download the 2013 Online Supplement here This book explores in detail those legal issues that arise in counseling planning and litigating under the antitrust laws It is designed to integrate theory and policy issues with doctrine and practice so that students will emerge with a fundamental grasp of antitrust doctrine at least an introduction to the vagaries of antitrust practice and a sensitivity to policy issues undergirding the application and enforcement of the antitrust laws The Fourth Edition of Antitrust Law Policy and Practice provides close coverage of the application of antitrust doctrine to cutting edge technologies the Internet and to rapidly shifting markets Antitrust Law Policy and Practice is unique in a number of ways The materials are designed to keep the business context of the problems in the forefront in order to give theory and doctrine a more solid footing in practical affairs

The lawyer's role as counselor and planner is emphasized throughout. The business context emphasis is paralleled by another practical emphasis on enforcement and procedure. Several notes, questions, and problems touch on important ethical issues. The authors include a wide variety of problems designed to satisfy a wide range of teaching objectives and styles and a wide range of student interests. Some are short and intended to be addressed in passing or by brief explanation. Some are longer, intended to occupy a full class hour or more. Some are in serial form with the reader getting additional data as more doctrine is assimilated. And some are review problems that students may find useful to discuss among themselves. The companion Teacher's Manual is extensive, over 300 pages, and increases the size of the book. This book also is available in a three-hole punched alternative loose-leaf version printed on 8.5 x 11 inch paper with wider margins and with the same pagination as the hardbound book.
