benefit Everyday Internet at Any Age Todd Alexander,2012-07-31 People aged 55 and up who don't use the Internet each day in their work often find it daunting to search for the information on the net and often don't even know where to begin. While Baby Boomers represent the fastest growing group of Internet adopters, little information is available to help them cut through the billions of websites to find those sites most applicable to their age group. This book has been written to empower these people. It offers information and advice from some of Australia's most experienced eCommerce professionals and covers the main types of internet use. Written in simple language, EVERYDAY INTERNET will unlock the Internet for everyone.

Cyber Kill E. Jason Williams,2018-07-23 Cyber Kill opens up with Tim Frantz starting his twelfth year and is immediately hit with a problem he never envisioned could happen. Using every resource available, he feels responsible and will settle for nothing but a justifiable closure to this horrible event. Even if it means going outside the guidelines the company has held fast to since the first day of business. Decide for yourself if you would have gone down the same road. **PC Mag** ,1986-12-23
