Nhl Opening Night Halloween Costumes Tips:

Last Winter Carrie Mac, 2023-01-24 1 NATIONAL BESTSELLER As gripping and unforgettable as Fredrik Backman's *Bear Town* and Kristin Hannah's *The Great Alone*, this haunting novel digs into the impact of a fatal avalanche on a small BC mountain town as seen through the eyes of those who survive the tragedy. Heart-rending and heart-stopping, Alix Ohlin, author of *Dual Citizens*, lays bare the truths of mental illness in an epically unforgettable way. Jen Sookfong Lee, author of *Superfan*, deeply raw, insightful, and unsparing: this is an important book. Zoe Whittall, author of *The Best Kind of People*, content note: this is an important book and a powerful depiction of extreme bipolar disorder. It deals with sensitive subject matter, and we encourage readers to take care of themselves and their mental health while reading. *Last Winter* is the story of a child who might not survive the heartbreak of her father's death and a mother who struggles to both parent and manage her grief in the grips of a bipolar crisis. Fiona and Gus's marriage has veered off course. Fiona's mental health is shaky at best and is now further strained under the weight of a transgression that she would like to both forget and repeat. Gus, a pro snowboarder turned backcountry guide, is exhausted by Fiona's mood swings and her ambivalence about their relationship, but mostly by the impact of her erratic behaviour on their eight-year-old daughter, Ruby. Ruby loves them both but has a much closer relationship with her father and has stopped talking in the face of the tensions between her parents. In the midst of this marital crisis, Gus takes Ruby's class on an overnight trip into the wilderness where Ruby is one of only two children to survive the avalanche that kills the others, including her beloved father. While Fiona's mental health unravels further by grief, Ruby is flattened by Gus's loss. After the search ends with no sign of her father, Ruby is determined to find him herself, using the survival skills he taught her and believing that he must still be alive. Her trek back into the snow sets off events that stretch her own resourcefulness and her mother's fragile coping skills to the breaking point. Atmospheric and deftly told with an economy of words and a finely tuned gaze on the small moments that build up to an inexorable and shocking end, *Last Winter* is a contemporary drama that will grip readers both for the story and for the vibrant portrayal of the complexities of family life. *Cleveland Family Fun Guide* Jennifer Stoffel, Stephen Phillips, 1999 Never run out of ideas for a fun family outing again. Here are 365 days worth of great places to go and things to do in Greater Cleveland, Akron, and beyond. This guide tells exactly what parents want to know: What age children will enjoy it? What's the cost? Any discounts? Best time to go? How do we get there? And most important of all, Will we like it? Detailed descriptions tell just what to expect when you get there. Free activities are highlighted. Written for parents by parents. *TV Guide*, 2002 *New York Magazine*, 1991-11-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *The Horn*
