Cooperative Design, Visualization, and Engineering Yuhua Luo,2023-09-17 This book constitutes the proceedings of the 20th International Conference on Cooperative Design Visualization and Engineering CDVE 2023 held in Palma de Mallorca Spain in October 2023 The 20 full papers and 6 short papers presented were carefully reviewed and selected from 62 submissions The papers cover a wide application spectrum including architecture engineering and construction AEC space craft building heavy industry robotics tourism education community building medical supply industry commerce

Deepfakes Graham Meikle,2022-09-22 What happens when we can no longer believe what we see Show the AI technologies that create deepfakes enough images of a celebrity or a politician and they will generate a convincing video in which that person appears to say and do things they have never actually said or done The result is a media environment in which anyone s face and image can be remixed and manipulated Graham Meikle explains how deepfakes synthetic media are made and used From celebrity porn and political satire to movie mash ups and disinformation campaigns this book explores themes of trust and consent as face swapping software becomes more common Meikle argues that deepfake videos allow for a new perspective on the taken for granted nature of contemporary media in which our capacity to remix and share content increasingly conflicts with our capacity to trust The book analyses how such videos deepen the social media environment in which the public and the personal converge and in which all human experience becomes data to be shared Timely clear and accessibly written this is an essential text for students and scholars of media communication cultural studies and sociology as well as general readers

Principles of Strategic Communication Derina Holtzhausen,Jami Fullerton,Bobbi Kay Lewis,2025-10-31 Now in a second edition this book introduces students to the theories of strategic communication and their application to everyday practice Key updates to the second edition include the use of artificial intelligence in the practice of strategic communication and a focus on health communication and crisis communication in the wake of a global pandemic personal branding social responsibility in an era of disinformation and the addition of models for ethical decision making It also features a completely updated chapter on new media and media metrics Each chapter includes introductory learning outcomes updated case studies a career profile of a current practitioner end of chapter discussion questions and boxes that highlight theory and research as well as the strategic communication industry insights Principles of Strategic Communication Second Edition is ideal as a core text for undergraduate students in strategic communication courses within media communication marketing and advertising programs The accompanying online resources feature chapter summaries useful links to examples of strategic

communication in action suggested further reading and sample test questions Instructors will find an instructor s resource manual that includes sample syllabi class activities lecture topics and a test bank New to this edition are PowerPoint slides for each chapter Please visit www.routledge.com/9781032626284 to access these materials *Personal Computing* ,1986
