Neuromined Robert Edward Grant, Michael Ashley, 2023-07-25 Are advances in technology working for us or against us When our phones become our keys to access everything will our lives be more convenient or more at the mercy of whoever can hack into our devices Will self driving cars help us maximize our time and get to our destination safely or will they erode the autonomy and freedom we feel when we drive ourselves What happens if the government in the name of public health gains access to the data in our handy fitness trackers and uses it to reward or limit us In *Neuromined* data sovereignty advocate Robert Edward Grant and prolific technology author Michael Ashley team up to explore significant questions such as these Each chapter imagines a near future surveillance dystopia through a riveting fictional tale and provides a companion analysis connecting the story to our present reality Entertaining and provoking this book shows readers how the technology that has promised a lifetime of convenience has also constrained a public's individual options and agency But all hope is not lost *Neuromined* at its core demonstrates how technology when viewed through a different ethos and used by a conscientious public can instead provide greater autonomy and greater access to liberation

Shakespeare and Antiracist World-Making Matthieu Chapman, 2025-08-25 This book is about Shakespeare's role in sustaining the antiracist paradigm of modernity This work re-reads both Shakespearean texts and performances from the 16th century to the present to argue that American and English societies have deployed Shakespeare for four hundred years as a mechanism to construct and reinforce paradigmatic antiracism Framed within the author's experiences as a Black scholar actor and director of Shakespeare and using both contemporary Critical Race Theory CRT as well as Pre Modern

Critical Race Studies PCRS this book uses civil society's engagement with and performance of Shakespeare in various times and places to reveal the continuum of antiblackness that predates chattel slavery in America and contributes to antiblack world making across oceans and centuries Getting Healthy with the Devip System Dr. Marilyn P. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
