Dresden Maria Ritter,2004 Autobiography World War II Why did the German people tolerate the Nazi madness Maria Ritter s life is haunted by the ever painful never answerable German Question Who knew What was known Confronting the profound silence in which most postwar Germans buried pain and shame she attempts in this memoir to give an answer for herself and for her generation Sixty years after the defeat of Nazi Germany she reflects on the nation s oppressive burden and the persecution of the contemporary consciousness We received what we deserved my grandfather said after the war

and I believed him His stare out the window spoke of bitterness and solemn resignation in the face of God's punishment and pity for us all In probing the dark shadows of wartime she reconstructs the voice of her childhood With a determined search for remnants of her past during a visit to her homeland Ritter retrieves memories and emotions from places personal stories and letters As she interweaves them with events in her family's struggle to survive the war and its aftermath she creates a tragic tapestry She recalls the weary odyssey from Poland to Leipzig with refugees in 1943 and remembers being sheltered there beside her grandfather She returns to Dresden to rekindle memories of the firebombing in 1945 She revisits the remote Saxony countryside where she and her mother crossed the border from East to West Germany in flight from the Communists in 1949 She relives the pain of learning that her father will never return from the war On a Memorial Day many years later Ritter's longstanding unresolved grief overflows as she writes a posthumous letter to him She suffers in the heartbreaking memory of her valiant mother who overcame loss and grief along the road to freedom and a new home Ritter's memoir sweeps through German history of the 1930s and 40s as she meditates on how she and her people figure in the tragic story of defeat and debacle In her recollections in listening to the voices of her kin and in speaking out about the past she finds the humane way to healing and reconciliation Maria Ritter is a clinical psychologist in San Diego California [Return to Neveryeon](#) Samuel R. Board of State Auditors, 1897 **Never to Return** Marjorie McArdell Davey, 2014-07-30 Characters in this book are fictional and have no relation to boys who were sent to Point Puer It is a fascinating story of those 7000 boys mostly teenagers who passed through this children's prison across the bay from Port Arthur Only three ever escaped This story is an account of what might have happened to them *The Soldier's Return* Melvyn Bragg, 2011-11-21 Right from the start when the train carrying British soldier Sam Richardson home to Wigton after his service in the Burma campaign breaks down two miles from town and he and his army comrades have to walk home it is clear we are in the hands of a compassionate clear sighted writer Bragg's work has been compared to that of Hardy and D H Lawrence not without some justice His small town people are closely and warmly observed but without a shred of sentimentality and although this story is familiar a man home from a dehumanizing war finds it hard to readjust it

has seldom been imbued with such rueful humanity For Sam England after WWII and after the sufferings he and his men endured in the frightful jungle campaigns is stuffy and limiting soon he starts dreaming of wider horizons His adored wife Ellen however is happily rooted in the little northern town where she grew up their small son Joe who has hardly known his father is bewitched but also terrified of him How the family works out its fate in the shabby postwar years is Braggs story and he makes of it something at once endearing and heroic So many scenes the regimental reunion Joe s efforts to win friends among the tough town kids a final scene at a railway station as heartrending as the movie Brief Encounter linger in the mind The book is a small classic deeply touching and true Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
