Gompel Engineering

Worcester, MA 00000

GREETING

- Use full name of recipient
- Avoid using "To Whom It May Concern"
- Options: Dear Hiring Manager, Human Resources, etc.

Dear Jamie Jung:

I am writing to apply for the R&D Product Development Summer Intern position, found on WPI's Handshake system. I am currently a junior pursuing a Bachelor of Science in Mechanical Engineering. Gompel Engineering's focus on sustainable practices through innovative design fits well with my career interests and experience. This is demonstrated by my recent group project in Santa Fe, NM designing a self-sustaining water irrigation system for high altitudes.

Through my academic project work I have developed abilities in 3-D design and modeling, an understanding of materials, and have practiced different manufacturing technologies. For example, in my Manufacturing Science, Prototyping, and Computer-Controlled Machining course, I along with two teammates created mechanical drawings and designs in SolidWorks. We then modeled, machined, and assembled the parts of a working Stirling engine, meeting all requirements and deadlines.

In addition to academic team projects that require collaboration and strong writing and presentation skills, I also have honed my leadership and communication skills as the Vice President of the WPI Marching and Pep Band. Throughout all my experiences, I have used my dedication to efficient and creative problem solving and my ability to prioritize and manage competing demands. I am eager to apply my engineering knowledge and skills at Gompel Engineering and look forward to speaking with you about the internship. Thank you very much for your consideration.

Sincerely,

Aisha Humphrey
