Beyond the Final Curtain Julie H. Perry, I nearly tangled myself with two of Broadway s most electrifying leading men during a chaotic closing night party And just when I convince myself that reckless night is buried in the past they walk into rehearsals for the season s most ambitious production and I m their new choreographer But instead of keeping their distance they propose an arrangement I never saw coming The three of us No complications No commitments Just until opening night Our late night rehearsals help them channel the raw intensity their roles demand While giving me the creative release I desperately need as I fight to prove myself in a cutthroat industry And when their understudy a brooding method actor joins our private sessions my trio becomes a quartet Can we keep our passion confined to the shadows long enough for them to claim their shot at a Tony nomination Or will the spotlight reveal that some performances are too real to fake BEYOND THE FINAL CURTAIN is an intensely steamy reverse harem contemporary romance set in the theater world No choosing no cliffhangers and a guaranteed happily ever after for all
