Love at First Sighting Mallory Marlowe, 2025-08-12 A chance at love might not be out of this world in this astronomically charming romantic comedy from the USA Today bestselling author of *Love and Other Conspiracies* Los Angeles social media influencer El Martin seems to have a picture perfect life But what El wants more than anything is to find something real to make her heart race in a way it hasn t in years She doesn t expect that feeling to come from capturing footage of an unidentified flying thing much less from the charming Man in Black who keeps following her around Agent

Carter Brody is trying his best to keep the Private Intelligence Sector afloat by dragging their hopelessly out of date office into this century even though what he really wants to do is follow in his father's footsteps by identifying and hiding extraterrestrial sightings. He gets his chance after being assigned to El's case and is stopped in his tracks not only by her ingenuity and confidence but also by an unnerving coincidence her sighting looks eerily like what Carter himself saw right before a family tragedy. The deeper El and Carter fall into the mystery the harder it is for them to ignore their growing chemistry as their own alien feelings become dangerously terrestrial.

Instagram Power: Build Your Brand and Reach More Customers with the Power of Pictures Jason Miles, 2013-10-08 Instagram is the hottest social media site two years after its launch the number of its daily mobile users surpassed that of Twitter. This book provides what you need to grab customers on the world's popular photo sharing site.

The Naked Future Patrick Tucker, 2015-02-24 A thorough yet thoroughly digestible book on the ubiquity of data gathering and the unraveling of personal privacy. Daniel Pink author of *Drive*. Thanks to recent advances in technology prediction models for individual behavior grow more sophisticated by the day. Whether you'll marry, commit a crime or fall victim to one or contract a disease are becoming easily accessible facts. The naked future is upon us and the implications are staggering. Patrick Tucker draws on fascinating stories from health care to urban planning to online dating. He shows how scientists can predict your behavior based on your friends' Twitter updates, anticipate the weather a year from now, figure out the time of day you're most likely to slip back into a bad habit and guess how well you'll do on a test before you take it. Tucker knows that the rise of Big Data is not always a good thing. But he also shows how we've gained tremendous benefits that we have yet to fully realize.

Pitch, Tweet, or Engage on the Street Kara Alaimo, 2020-12-29 The second edition of *Pitch Tweet or Engage on the Street* offers a modern guide for how to adapt public relations strategies, messages and tactics for countries and cultures around the globe. Drawing on interviews with public relations professionals in over 30 countries as well as the author's own experience the book explains how to build and manage a global public relations team, how to handle global crisis communication and how to practice global public relations on behalf of corporations, non-profit organizations and governments. It takes readers on a tour of the world explaining how to adapt their campaigns for Asia Pacific, Europe, the Middle East, the Americas and Sub-Saharan Africa. Along the way readers are introduced to practitioners around the globe and case studies of particularly successful campaigns. This new edition includes updates to country profiles to reflect changes in each local context as well as expanded coverage of social media and the role of influencer engagement and a brand new chapter on global crisis communication. The book is ideal for graduate and upper level undergraduate public relations students as well as practitioners in intercultural markets.
