The Sibley Journal of Engineering ,1916 Global Security Watch—Japan Andrew Lee Oros,Yuki Tatsumi,2010-09-02

This book offers a comprehensive overview of Japan s national security institutions and policy today including a detailed discussion of Japan s regional security environment and its alliance with the United States in the context of the Democratic Party of Japan s rise to power in August 2009 2010 marks the 50th anniversary of the revision of the U S Japan Security Treaty making Japan one of the United States s longest and most important military allies Over 40 000 US troops are based in Japan as is the only U S aircraft carrier based outside the United States the USS George Washington Japan possesses one of the world s largest economies and strongest military forces and as a result its national security policies and institutions are highly significant not just to America but to the rest of the global community as well This book provides an overview of Japan s transformation into one of the world s most capable military powers over the past 150 years Particular attention is paid to developments in the past decade such as the 2009 change in the controlling political party and Japan s responses to new global security threats An Honorable German Charles McCain,Charles L. McCain,2009-07-25 A truly epic and stirring

tale of war love and the sea An original and surprising look at World War II from the other side Nelson DeMille When World War II begins Max Brekendorf a proud young German naval officer fights for his country with honor and courage With the unstoppable German war machine overrunning Europe Max looks ahead to a bright future with his fianc e Mareth But as the war progresses their future together becomes less and less certain German victories begin to fade In the North Atlantic Max must face the increasing strength of the Allies on ever more harrowing missions Berlin itself is savaged by bombing making life for Mareth increasingly dangerous and desperate And as the Third Reich steadily crumbles Nazi loyalists begin to infiltrate Max s crew and turn their terror on Germany s own armed forces Recognizing what his nation has become Max is forced to make a choice between his own sense of morality and his duty to the Reich With its stirring rarely seen glimpse of the German home front during WWII vivid characters and evocation of the drama and terror of war at sea An Honorable German is a suspense filled story of adventure of love and loss and of honor and redemption A fast paced old fashioned naval yarn that crackles with authenticity An Honorable German will leave the taste of salt on your tongue as you breathlessly turn the pages A first class tale that aficionados of the Second World War will find especially satisfying I enjoyed it immensely Christopher Reich New York Times bestselling author Outstanding maritime action sequences Publishers Weekly
