American Popular Music and Its Business in the Digital Age Rick Sanjek, 2024-07-19 As the long awaited sequel to *American Popular Music and Its Business the First 400 Years* this book offers a detailed and objective history of the evolution and effect of digital technology from 1985 through 2020 on all segments of the popular music business from CDs and stadium tours to TikTok and the effects of the COVID 19 pandemic with particular emphasis on the relationship between the creators the consumers and the business professionals who form the three major axes of the industry Author Rick Sanjek a 50 year industry veteran combines the knowledge acquired during his decades of experience with scholarly research to create a compelling narrative of the events economics and innerworkings of the modern music business **Commercialising Celebrity Persona** Emma Perot, 2023-09-07 This book investigates the commercialisation of celebrity persona in the UK New York and California Interviews with 68 practitioners across the advertising merchandising film and video game industries provide insight on the differences in approaches across jurisdictions as well as the similarities caused by non legal factors Furthermore the book addresses the developments in technology social media and social norms that have made collaboration attractive to maintain favour with fans The book considers how the extension of passing off in the UK to include persona rights impacts the dispute resolution and transactional spheres involved in the commercialisation of persona It compares the industry landscape to that of the US where the right of publicity has been recognised since 1953 and has gone as far as to protect identity The book argues that nonlegal factors significantly impact the commercialisation of persona across the jurisdictions and interact with the law to encourage permission based behaviours However there remains a divergence in the dispute resolution sphere Anyone who is interested in the multi million dollar business of celebrities as assets will benefit from this book **NO HALO ON HALLOWEEN** HASRAT K., 2025-10-13 Some doors should never be opened Some secrets should never be uncovered And some monsters don t die The air around the old Florida farmhouse wasn t just cold it was hungry Celia and her best friend Lily went seeking a thrill on Halloween night party armed only with fun and arrogance However they found something else a darkness that was patiently waiting for its invitation They played a game of Truth or Dare The house played a game of Possession and Death This entity doesn t care about their lives only their fears It found the fault lines in their minds and ripped them open manifesting the exact horror needed to break them one by one The clowns are real The hands on the neck are real The terror is absolute Twist after twist No Halo On Halloween will keep you on the edge of your seat through all the frightening chapters and eventually leave you with questions **The Music Industry** Patrik Wikström, 2020-01-09 Since the first edition was published in 2009 Patrik Wikström s *The Music Industry* has become a go to text for students and scholars This thoroughly updated third edition provides an international overview of the music industry and its future prospects in the world of global entertainment The music industry has experienced two turbulent decades of immense change brought about in part by the digital revolution How has the industry been transformed by these

economic and technological upheavals and how is it likely to change in the future What is the role of music in this digital age Wikstr m illuminates the workings of the industry deftly capturing the dynamics at work in the production of musical culture between the transnational media conglomerates the independent music companies and the public New to this third edition are expanded sections on the changing structure of the music industry the impact of digitization on music listening practices and the evolution of music streaming platforms Engaging and comprehensive The Music Industry is a must read for students and scholars of media and communication studies cultural studies popular music sociology and economics *Musicking TikTok* Juan Bermúdez,2024-12-12 This ethnographic work about TikTok s musicking in a glocal Austrian context complements and build upon ethnomusicological assumptions theories and methods for the study of musical practices in digital spaces An overview of elements that make up TikTok s interface as well as the technical performative possibilities that it allows this book introduces a general categorization of existing performance types and how TikTokers appropriate the platform to make their music It illustrates how some TikTokers became aware of and began using TikTok and it reviews some of the different strategies TikTokers apply to learn how to use the application and successfully develop their performances Berm dez explores how performers move from being ordinary users to becoming TikTokers developing and performing an identity he calls TikTok Persona Moreover he discusses how some TikTok practices can and have occurred across multiple interconnected platforms and he examines how localities are articulated and negotiated in these contexts Berm dez argues for an understanding of musicking as a multimedia practice that different actors create and experience individually in everyday synchronous and asynchronous physical and digital situations The so called TikTokers create a sense of identity and community through their performances This study suggests that a digital performance can be aside from a representation of reality an integral part of it serving as a fundamental space for constructing and performing identity **Planning for Learning through Sounds** Judith Harries,2012-08-02 Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of sounds The Planning for Learning series is a series of topic books written around the Early Years Foundation Stage designed to make planning easy This book takes you through six weeks of activities on the theme of sounds Each activity is linked to a specific Early Learning Goal and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children s topic as well as ideas for bringing the six weeks of learning together The weekly themes in this book include hearing and making sounds musical sounds changing sounds animal sounds and machine sounds **The Statesman's Yearbook 2000** B. Turner,2016-12-28 For the last 136 years The Statesman s Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in 136 years brought enhancements to the 1998 99 edition and these are continued in the 2000 edition Internet

usage figures are included Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change A fold out colour section provides a political world map and flags for the 191 countries of the world The task of monitoring the pattern or flow of world change is never ending However the annual publication of The Statesman s Yearbook gives all the information needed in one easily digestible single volume It will save hours of research and cross referencing between different sources A prestigious and popular book The Statesman s Yearbook is updated every 12 months In a world of continual change The Statesman s Yearbook is a necessary annual purchase

Music In Video Games K.J. Donnelly,William Gibbons,Neil Lerner,2014-03-26 From its earliest days as little more than a series of monophonic outbursts to its current day scores that can rival major symphonic film scores video game music has gone through its own particular set of stylistic and functional metamorphoses while both borrowing and recontextualizing the earlier models from which it borrows With topics ranging from early classics like Donkey Kong and Super Mario Bros to more recent hits like Plants vs Zombies the eleven essays in Music in Video Games draw on the scholarly fields of musicology and music theory film theory and game studies to investigate the history function style and conventions of video game music
