CB Consumer Behaviour, 3rd Edition Barry J. Babin, Eric G. Harris, 2023-03-03 The third Canadian edition of CB provides a thorough introduction to consumer behaviour. Students will discover how organizations can create and enhance their marketing strategy, advertising and campaign plans, and product offerings by better understanding their target audiences. This includes a thorough examination of the internal such as perception and motivation and external such as cultural and societal elements that affect consumer decision making. The third edition includes cases based on Canadian businesses, several current examples of customer behaviour, critical thinking exercises, and the latest academic research.

Strategic Approaches to Managing Technological Change in Sustainable Business Models Leone, Daniele, 2025-05-29 In today's digital landscape, managing technological change becomes critical for businesses striving to remain competitive while adhering to sustainability principles. Sustainable business models adapt to technological advancements and integrate them in ways that reinforce environmental, social, and economic goals. Strategic approaches to this challenge align innovation with sustainability objectives, fostering organizational agility and investing in circular economy practices, green technologies, and stakeholder engagement. By managing the risks and opportunities of technological change, businesses can enhance resilience, create value, and drive transformative impact across industries. Strategic Approaches to Managing Technological Change in Sustainable Business Models explores the advent of new business models of the industry 5.0 paradigm. It examines sustainable collaboration for product development, community service, and consumer science. This book covers topics such as neuromarketing, value co-creation, and digital technology and is a useful resource for business owners, engineers, academicians, researchers, and environmental scientists.

Business Model Innovation Strategy Raphael Amit, Christoph Zott, 2020-09-08 The most comprehensive global guide to business model design and innovation for academic and business audiences. Business Model Innovation Strategy: Transformational Concepts and Tools for Entrepreneurial Leaders is centered on a timely, mission-critical strategic issue that both founders of new firms and senior managers of incumbent firms globally need to address as they reimagine their firms in the post-COVID-19 world. The book, which draws on over 20 years of the authors' collaborative theoretical and rigorous empirical research, has a pragmatic orientation and is filled with examples and illustrations from around the world. This action-oriented book provides leaders with a rigorous and detailed guide to the design and implementation of innovative and scalable business models for their companies. Faculty and students can use Business Model Innovation Strategy as a textbook in undergraduate MBA and EMBA degree courses as well as in executive courses of various designs and lengths. The content of the book has been tested in both degree and non-degree courses at some of the world's leading business schools and has helped students and firm leaders to develop ground-breaking business model innovations. This book will help you learn the basics of business model innovation, including the latest developments in the field. Learn how business model innovation presents new and profitable business opportunities in industries that were

considered all but immune to attacks from newcomers Learn how to determine the viability of your current business model Explore new possibilities for value creation by redesigning your firm s business model Receive practical step by step guidance on how to introduce business model innovation in your own company Become well versed in an important area of business strategy and entrepreneurship Authors Amit and Zott anchored the book on their pioneering research and extensive scholarly and practitioner oriented publications on the design implementation and performance implications of innovative business models They are the most widely cited researchers in the field of business model innovation and they teach at the top ranked Wharton School of the University of Pennsylvania and the prestigious global business school IESE with campuses in Barcelona Madrid Munich New York and S o Paulo
