Global Public Goods Communication Sónia Pedro Sebastião, Anne-Marie Cotton, 2025-06-06 This book examines the critical role of communication in advancing knowledge and participation in the governance of global public goods GPG Central to any theory of GPG is the role of information as raising awareness requires creating credible messages and narratives The book highlights the importance of agency understanding actors their interconnections and how they negotiate and govern GPG The book argues for a nuanced understanding of democracy suggesting a broader interpretation that prioritizes public deliberation and reflection Key premises include the necessity of institutional legitimacy active citizen participation structured partnerships and transparent communication channels for sustainable development The book underscores that communication is fundamental to change processes sustainable citizenship and the realization of human rights including the right to information and freedom of expression By doing so it advocates for an eighteenth Sustainable Development Goal responsible communication The book will appeal to students scholars and researchers of international relations communication and public policy as well as to policy makers and professionals at international organizations think tanks and NGOs seeking theoretical foundations for communication strategies and stakeholder engagement practices

The Cultural Sociology of Reading María Angélica Thumala Olave, 2022-12-12 This book showcases recent work about reading and books in sociology and the humanities across the globe From different standpoints and within the broad perspectives within the cultural sociology of reading the eighteen chapters examine a range of reading practices genres types of texts and reading spaces They cover the Anglophone area of the United States the United Kingdom and Australia the transnational multilingual space constituted by the readership of the Colombian novel *One Hundred Years of Solitude* nineteenth century Chile twentieth century Czech Republic twentieth century Swahili readings in East Africa contemporary Iran and China during the cultural revolution and the post Mao period The chapters contribute to current debates about the valuation of literature and the role of cultural intermediaries the iconic properties of textual objects and of the practice of reading itself how reading supports personal social and political reflection bookstores as spaces for sociability and the interplay of high and commercial cultures the political uses of reading for nation building and propaganda and the dangers and gratifications of reading under repression In line with the cultural sociology of reading's focus on meaning materiality and emotion this book explores the existential ethical and political consequences of reading in specific locations and historical moments

On Trails Robert Moor, 2016-07-12 New York Times Bestseller Winner of the National Outdoor Book Award Winner of the Saroyan International Prize for Writing Winner of the Pacific Northwest Book Award The best outdoors book of the year Sierra Club From a talent who's been compared to Annie Dillard Edward Abbey David Quammen and Jared Diamond *On Trails* is a wondrous exploration of how trails help us understand the world from invisible ant trails to hiking paths that span continents from interstate highways to the Internet While thru hiking the Appalachian Trail Robert Moor

began to wonder about the paths that lie beneath our feet How do they form Why do some improve over time while others fade What makes us follow or strike off on our own Over the course of seven years Moor traveled the globe exploring trails of all kinds from the miniscule to the massive He learned the tricks of master trail builders hunted down long lost Cherokee trails and traced the origins of our road networks and the Internet In each chapter Moor interweaves his adventures with findings from science history philosophy and nature writing Throughout Moor reveals how this single topic the oft overlooked trail sheds new light on a wealth of age old questions How does order emerge out of chaos How did animals first crawl forth from the seas and spread across continents How has humanity s relationship with nature and technology shaped world around us And ultimately how does each of us pick a path through life Moor has the essayist s gift for making new connections the adventurer s love for paths untaken and the philosopher s knack for asking big questions With a breathtaking arc that spans from the dawn of animal life to the digital era On Trails is a book that makes us see our world our history our species and our ways of life anew *Marketing and Social Media* Lorri Mon,Christie Koontz,2020-12-07

Marketing and Social Media A Guide for Libraries Archives and Museums Second Edition is a much needed guide to marketing for libraries archives and museum professionals in the social media age This book serves as both an introductory textbook and as a guide for working professionals interested in developing well planned evidence based marketing campaigns Chapters cover coordinating efforts with the organization s mission goals and objectives how to do a SWOT analysis and environmental scanning the use of existing data as well as issues in collecting additional data how to identify and involve stakeholders a 4 step marketing model considerations of price placement product and promotion market research understanding customer groups and market segmentation marketing mix strategy and evaluation promotional activities channel selection social media marketing activities content marketing social media policies guidelines crisis communication and evidence based assessment Discussion of social media and examples of social media marketing activities are included throughout the book as well as case study examples of marketing and social media campaigns in libraries archives and museums This second edition further includes a new final chapter offering step by step guidance for brand new social media managers on how to get started from their first day on the job with social media marketing management assessment strategic planning and content calendar planning activities in addition to working with colleagues and managers to integrate social media into work activities across the organization For educators this text includes elements which can be developed into classroom or workshop assignments which include pull quotes highlighting important concepts in each chapter key terms discussion questions illustrative case study examples from archives libraries and museums and an annotated bibliography for further reading Participatory Ideology Peter Beresford,2021-03-15 The COVID 19 pandemic Black Lives Matter movement and renewed action against climate change all highlight the increasing gulf between narrowly based dominant political ideologies and popular demands for social justice global health environmentalism and human rights

This book examines for the first time the exclusionary nature of prevailing political ideologies Bringing together theory practice and the relationship between participation political ideology and social welfare it offers a detailed critique of how the crucial move to more participatory approaches may be achieved It is concerned with valuing people s knowledge and experience in relation to ideology exploring its conventional social construction including counter ideology and the ideological underpinnings and relations of participation It also offers a practical guide for change
