More Than Numbers Yongi Cho

Judd E. Hollander

More Than Numbers Yongi Cho:

David Yonggi Cho Wonsuk Ma, 2017-11-29 This book is a serious attempt by Asian scholars to reflect on various aspects of the Asian Pentecostal movement. It joins a small but growing list of works on this critical subject. Second, it presents an Asian perspective on one of the most important figures in Asian Pentecostalism in this generation, Dr. David Yonggi Cho, who clearly stands out as one of the most preeminent Pentecostals anywhere in the world. **More Than Numbers** Paul Y. Cho, 1986

To the Ends of the Earth Allan Heaton Anderson, 2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the soul of the continent, and some of the largest Pentecostal congregations in the world are in South Korea. In *To the Ends of the Earth*, Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an end-of-the-earth movement; Pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa; Pentecostalism's incredible diversity due to its deep local roots and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the health and wealth gospel, and he explores the increasing involvement of Pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the born-again experience, incessant evangelism, healing, and deliverance; cultural flexibility; a place to feel at home; religious continuity; an egalitarian community; and meeting material needs, all of which contribute to Pentecostalism's remarkable appeal. Exploring more than a century of history and ranging across most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide.

More Than Numbers Paul Y. Cho, 1987-03-01 **Appropriate Christianity** Charles H. Kraft, 2005 Appropriate Christianity consists of 28 chapters by 18 authors approaching contextualization in three dimensions: truth, allegiance, and spiritual power. Over the years, there have been quite a number of helpful discussions of the contextualization of theological truth. Though we have been helped greatly by them, it is high time we began to deal also with allegiance and spiritual power, two additional dimensions that Jesus considered of great importance. Any adequate and appropriate treatment of the contextualization of biblical Christianity needs to deal with all three of these crucial dimensions. 3. For allegiance to Christ is the basis for all we do that makes us Christian, and Jesus was very much into spiritual power. If we are to be truly biblical, we must deal also with these areas. **Global Renewal Christianity** Amos Yong, Vinson Synan, 2016 The growth of Spirit-empowered Christianity has been nothing short of phenomenal. From a handful of believers in the early twentieth century to a global movement today numbering over 600 million people in almost every culture and denomination, those who embrace the

Holy Spirit and His gifts are now the fastest growing religious group in the world This book is an authoritative collection from more than two dozen leaders in and scholars of the Spirit empowered movement in Asia and Oceania Focusing on the future of the movement these world renowned scholars address the theological and cultural challenges of the new century and share emerging insights on how the next generation will face them **The Charismatic Movement** Charles Edwin Jones,1995

Christianity Made in Japan Mark R. Mullins,1998-10-01 For centuries the accommodation between Japan and Christianity has been an uneasy one Compared with others of its Asian neighbors the churches in Japan have never counted more than a small minority of believers more or less resigned to patterns of ritual and belief transplanted from the West But there is another side to the story one little known and rarely told the rise of indigenous movements aimed at a Christianity that is at once made in Japan and faithful to the scriptures and apostolic tradition Christianity Made in Japan draws on extensive field research to give an intriguing and sympathetic look behind the scenes and into the lives of the leaders and followers of several indigenous movements in Japan Focusing on the native response rather than Western missionary efforts and intentions it presents varieties of new interpretations of the Christian tradition It gives voice to the unheard perceptions and views of many Japanese Christians while raising questions vital to the self understanding of Christianity as a truly world religion This ground breaking study makes a largely unknown religious world accessible to outsiders for the first time Students and scholars alike will find it a valuable addition to the literature on Japanese religions and society and on the development of Christianity outside the West By offering an alternative approach to the study and understanding of Christianity as a world religion and the complicated process of cross cultural diffusion it represents a landmark that will define future research in the field *Construyendo El Reino de Dios* , **CHURCH MEMBERS AND THE RED LIGHT DISTRICTS** HARDBACK COPY JEREMIAH B. MENYONGAI, JR.,2012-09-30 A book that identifies the booby traps that Satan places before church members to sidetrack and derail their Christian assignments and testimonies The book stresses that there are dire consequences when sheep behave like goats **Dr. David Yonggi Cho** David Yonggi Cho,2008 A commemorative look at 50 years of Dr Cho s ministry of hope released in time for his retirement this summer Over the years as he struggled to bring hope to people and build his church God taught Dr Cho not to depend upon himself but totally upon the Holy Spirit In this book Dr Cho tells the stories of his temptations and doubts failures and successes and how the Holy Spirit was with him in every situation The teaching in this book will inspire the reader to stand strong in the face of adversity doubt and fear Followers worldwide will add this highly anticipated autobiography to their collection of Dr Cho s coveted works **A Full-er Gospel?: Pentecostal Proclamation in New Zealand 1990-2008** Linda Flett,2015 This book draws on the belief statements and official publications of Elim and AOG denominations in New Zealand from 1990 to 2008 in order to test the extent to which this conviction was adhered to A statement that In order to reach New Zealand our methods need to change but not our message provides a framing device inviting the reader to explore their responsiveness to aspects

of social change within New Zealand before gauging interest in new methodologies known to have impacted Pentecostal churches in New Zealand during this period Actual changes to evangelistic methodology and salvation terminology is presented from the findings of a quantitative study before the salvation message is re examined It will be evident that not only were new methodologies embraced but views on salvation broadened becoming increasingly holistic dynamic and relational

The Tearless Woman Success J. Aondoawase,2019-05-24 Woman why weepest thou It s a question women have often been asked because of their incessant and inexorable tears occasioned by enormous challenges confronting the womenfolk globally Indeed there is no sorrow comparable to women s sorrow which is done to them since the events of Eden In this book Success J Aondoawase unearths useful insights on the cause of violence against women resulting to untold hardship pain sorrow and death in some instances The book further provides useful strategies to overcome these attacks and live victoriously as tearless women It s a must read for all women married and unmarried small or great

The Holy Spirit Movement in Korea Young-hoon Lee,2009-04-01 This book traces the historical and theological development of the Holy Spirit movement in Korea through six successive periods These periods are characterized by repentance and revival 1900 1920 persecution and suffering under Japanese occupation 1920 1940 confusion and division 1940 1960 explosive revival in which the Pentecostal movement played a major role in the rapid growth of Korean churches 1960 1980 the movement s reaching out to all denominations 1980 2000 and the new context s demanding the Holy Spirit movement to open new horizons in its mission engagement 2000 The volume also discusses the relationship between this movement and other religions such as shamanism and looks forward to further engagement with issues of concern in the larger society

Encyclopedia of Protestantism J. Gordon Melton,2005 An illustrated A to Z reference containing over 600 entries providing information on the theology people historical events institutions and movements related to Protestantism

A Theology of Hope Sang Yun Lee,2019-01-03 Lee advocates a theology of hope essentially different from the Moltmann version on which the idea is developed Lee shows how Cho s message particularly in its promise of a saved healthy happy and prosperous life the Threefold Blessing was the antidote to the events that had ravaged the Korean peninsula in the 1950s At the same time Asian Pentecostal scholars might also need a greater appreciation for both the diversity and richness of their cultural and religious past They have found both culturally and biblically acceptable alternatives to and adaptations from the practices of their ancient religions and are seeking to provide answers to the needs of their own context Allan H Anderson University of Birmingham England From the Foreword

God's Missionary People Charles E. Van Engen,1991-09 A world claiming theology of the church draws on ancient and modern thoughts The author focuses on how the church can grow to become in reality God s missionary people

The Complete Book of Everyday Christianity R. Paul Stevens,Robert Banks,2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection

of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ *MacArthur 2-in-1* John F. MacArthur, 2014-10-28 The Truth War Right now Truth is under attack and much is at stake Christians are caught in the crossfire of alternative Christian histories emerging faulty texts and a cultural push to eliminate absolute Truth altogether As a result many churches and Christians have been deceived Worse still they propagate the deception that poses itself as Truth In The Truth War John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal immovable promises that are found in His Word Strange Fire What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars In Strange Fire bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement He lays out a chilling case for rejecting its false prophets speaking out against their errors showing true reverence to the Holy Spirit and above all clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested Charismatic Christianity as a Global Culture Karla O. Poewe, 1994 In this important work leading scholars in the fields of religion and anthropology discuss the thought patterns and religious traditions of charismatics throughout the world By examining believers throughout the Americas Africa Asia and Europe the contributors provide a comprehensive overview of a charismatic tapestry that appears to transcend national ethnic racial and class boundaries

Getting the books **More Than Numbers Yongi Cho** now is not type of inspiring means. You could not only going following ebook amassing or library or borrowing from your associates to door them. This is an completely simple means to specifically get lead by on-line. More Than Numbers Yongi Cho Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free More Than Numbers Yongi Cho PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free More Than Numbers Yongi Cho PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of More Than Numbers Yongi Cho free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
