All About Sleep

Once upon a time in a small town called Dreamland, there lived a young girl named Lily. Lily loved to stay up late reading books and playing with her toys, but her parents always told her how important it was to get a good night's sleep.

One night, as Lily climbed into bed, she couldn't stop thinking about what her parents had said. "But why is sleep so important?" she wondered aloud. Just then, a magical fairy named Luna appeared by her bedside.

"Lily, I heard your question," Luna said with a smile. "Let me tell you all about sleep."

Luna explained that sleep is like a special time for our bodies to rest and recharge. While we sleep, our brains and bodies work hard to repair themselves so we can be ready for the next day. Sleep also helps us to grow, learn, and stay healthy.
