Playing the Business Game: Decoding Business Genres

Shubhrangshu Barman Roy, Deepak Panda, 2022-08-18

Over the past few years books like Zero to One 10X Rule 10X growth machine Zero to IPO and many more have captured the entrepreneur's mind space. They have undoubtedly

propelled the new generation of entrepreneurs to think Big and Non Linear The results are for all of us to see Consumers have moved from being kings to emperors however the business results are a mixed bag highly skewed towards the south But again we are no one to judge However we believe that based on the work we have done for the last 25 years the south skewness is because only a tiny portion of the businesses understand the relationship between thinking execution and its impact on the financial result We try and decode these business genres we believe running a business is like delivering an orchestrated performance every day for years to come and put forth the basis the model and pros and cons of the businesses
