Extraordinarily Ordinary Erin A. Meyers, 2020-02-14 Extraordinarily Ordinary offers a critical analysis of the production of a distinct form of twenty first century celebrity constructed through the exploding coverage of reality television cast members in Us Weekly magazine Erin A Meyers connects the economic and industrial forces that helped propel Us Weekly to the top of the celebrity gossip market in the early 2000s with the ways in which reality television cast members fit neatly into the social and cultural norms that shaped the successful gossip formulas of the magazine Us Weekly s construction of the extraordinarily ordinary celebrity within its gossip narratives is a significant symptom of the broader intensification of discourses of ordinariness and the private in the production of contemporary

Swim, Bike, Bonk Will McGough, 2019-11-01 Just as George Plimpton had his proverbial cup of

coffee in the NFL as the unrecruited and certainly unwanted fourth string quarterback for the Detroit Lions so too did Will McGough immerse himself in a sport he had no business trying. Like Plimpton whose football folly turned into the bestselling *Paper Lion* travel and outdoor writer McGough writes of his participation in around and over the course of one of the world's premier triathlons the annual 140.6 mile Ironman in Tempe, Arizona. McGough chronicles the Ironman's history, his unorthodox training, the pageantry of the race weekend, and his attempt to finish the epic event. The narrative follows not just his race but also explores the cult and habits of the triathlete community beginning with the first Ironman competition in Hawaii in 1978. This is a light-hearted, self-deprecating and at times hilarious look at one man's attempt to conquer the ultimate endurance sport with a conclusion that will surprise and delight both dedicated triathletes as well as strangers to the sport. Cincinnati Magazine, 2004-12. Cincinnati Magazine taps into the DNA of the city exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.
