

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord.

And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men.

Spheres Susanne Auflitsch, 2006 During the first half of the 20th century approximately 10 000 short plays were written in the United States This book examines twenty one act plays by authors such as Mary Shaw Susan Glaspell and Charlotte Perkins Gilman who wrote from such diverse backgrounds as women s clubs art theaters or commercial theaters This study argues that the plays share a structural organization along spatial dichotomies of theatrical space within and theatrical space without While some writers use the underlying structure of separate spheres and organize place and space in order to promote a broader definition of domesticity the spatial configurations in other plays are read as appropriations affirmations negotiations subversions or transgressions of the separate spheres dichotomy Substantial bibliographies documenting the productivity of the one act genre supplement this study
