

MORROWIND

Morrowind lies in the northeastern part of Camriel, and is home to the Dark Elves. It comprises the island Qwardenfell and

the surrounding coastal territory along the west, south, and east of the island. The warm, mild climate drives much of Morrowind from freezing snows, unlike its northern neighbor Skyrim. Other than its climate, the land varies greatly, from rocky coasts to fertile plains to sweltering swamplands. Morrowind's most notable feature is its great mushrooms, which can grow as tall as towers. Some are even hollowed out and turned into houses.

At the heart of Vvardenfell is Red Mountain, a large volcano with fire in its belly and a mouthful of smoke. The surrounding land is filled with lava flows and barren crags, and ash fills the sky and blankets the earth. The smoke and ash are so poisonous that the animals who make their home here are called Ashlanders, and they are just as loathed by the rest of Morrowind as the swined lands they call home.

The trade in Morrowind is quite lucrative, should you know how to navigate both its land and peoples. And so you have, in your infinite wisdom, purchased Jirah's book! She will not disappoint you, walker, for she has much advice to share.

Morrowind Guide

Judd E. Hollander
