Moses A Stranger Among Us:

Moses Maurice D. Harris, 2012-03-01 In *Moses A Stranger among Us* Rabbi Maurice Harris leads us to look beyond familiar and popular portrayals of Moses so that we can discover the Moses whose lesser known attributes and experiences provide us with surprisingly fresh ethical and spiritual guidance Harris offers many angles on his subject interweaving traditional religious interpretations academic Bible scholarship psychological and sociological analysis feminist readings and more Combining deep respect for the biblical text with a willingness to question received tradition Harris reveals a complex Moses whose life story gives us important tools for better understanding issues like religious fundamentalism intermarriage identity confusion civil disobedience gay and lesbian equality and the nature of sacred mythic storytelling Written in a refreshing plainspoken voice for people of all faiths or none the result is a volume of creative thought provoking and exciting readings of the Bible

Reimagining Exodus David Zaslow, 2017-03-01 More than half the world's population is familiar with the exodus of the Israelites from Egypt when they were liberated from slavery Religious groups and movements of liberation from the Puritans to Mormons to the American Civil Rights Movement have used it as a template and an inspiration in their own struggles for freedom In Jewish tradition the Exodus is applied to the individual life journey with captivities freedoms and wildernesses This book will explore how the struggles in Genesis can be applied to our issues today personal and cultural Rabbi Zaslow weaves a connective tapestry for people of faith who no longer want their religions to divide them from each other Reimagining Exodus takes the reader on a timeless journey It shows how the Passover story has been a roadmap for both spiritual and personal liberation for thousands of years As the foundational story beneath Judaism and Christianity it is time to reimagine how this seminal story relates to our world and our personal lives today Fr Richard Rohr Center of Action and Contemplation David Zaslow has taken one of the greatest stories ever told and made it even greater This book is a tremendous gift to anyone who is taking a journey of the soul seeking to escape internal slavery and make it to the promised place where suffering is no more Marianne Williamson teacher and author of *Tears to Triumph* With the mind of a scholar the heart of a poet and the soul of a Hasidic teacher Rabbi David Zaslow explains the Biblical exodus as more than an epic event This book offers readers the ancient story as a contemporary compass one which can guide our lives toward greater meaning and purpose regardless of the faith we follow citizenship we hold or the politics we practice Rabbi Brad Hirschfeld President Clal The National Jewish Center for Learning and Leadership

They Are Us Stephen Bouman, Ralston Deffenbaugh, 2020-11-03 Although written from a Lutheran religious tradition the invitation and reach of *They Are Us* Lutherans and Immigration Second Edition is broad and inclusive It includes all who are in touch with their own immigrant forebears and who share deeply

spiritual hopes for our communal life Authors Stephen Bouman and Ralston Deffenbaugh observe that ten years after they wrote the first edition of this book immigration is an even more contentious issue in society and the church and immigrants are much more vulnerable mistreated and blamed than ever before They Are Us encourages congregations to engage in the public space with grace and to offer hospitality in an often alien world The authors propose that the church at every level from local to national to global work to transform our present polarization and fear and lead to real change They envision a community that offers a haven for every refugee a job for every migrant a home for every immigrant a vision that is profoundly biblical and deeply faithful Through stories of crisis and hope They Are Us helps Christian communities understand themselves and their ministries as part of God s narrative of love and hospitality for the little the lost the last and the least These stories show there is no greater power to unite our divided angry and fearful church and society than the presence of the crucified and risen Christ among us
